Trevor Beeson

The Gravestone Accord:

The Assembly of Gods: Or, The Accord of Reason and Sensuality in the Fear of Death John Lydgate,1896 *In Tuneful Accord* Trevor Beeson,2013-01-07 This is a superbly entertaining overview of the Church of England over the last fifty years The image of Sung Evensong may seem timeless but the patterns of Anglican worship have changed continuously Beginning with the great Victorian modernisers who stamped their taste on music as much as church buildings we are taken on a memorable and entertaining musical tour that takes in the impact of the Wesleys the publication of Hymns Ancient Modern the great organ builders Willis and Walker Vaughan Williams and the English Hymnal the Royal School of Church Music The hymn writing explosion and the electronic age All this and more presented here in Trevor s inimitable and sharply observant style *The Tombstone in Israel's Military Cemetery since 1948* Yossi Katz,2014-06-18 Military cemeteries are one of the most prominent cultural landscapes of Israel Their story reflects largely the main social processes that Israeli society has been undergoing since the War of Independence 1948 until today Until the end of the 1970s the military tombstones and their surroundings were uniform and equal according to rules set by the State However since the 1980s families of the fallen soldiers started to add on the tombstone personal expressions as well as personal objects photographs military artifacts etc Thus the military tombstone and the Israeli military cemetery became one of the expressions of the dramatic transformation from a society which emphasized the importance of the collective to a society which intensifies the significance of the individual The book is based on many archival documents as well as interviews and photographs all of which shed light on one of the most sensitive issues in Israeli society and express its importance as a central component of Israeli identity Death at our Windows! together with Oppression! Two poetic lectures, humbly addressed to the majesty of the people. To which are added, some moral and political aphorisms, in several very curious acrostics. By the author of a Poetic Lecture on Lotteries.
