## **The Great Big Dummy:**

**Big Dummies of the Bible** Stephen E. Miller, 2025-03-25 Have you ever done something so dumb you wince at the thought of it? Well, you're not alone. The Bible is full of characters who made some shockingly dumb moves. Here are a few examples: A guy who sold his right to his family's estate for a bowl of soup. The couple who had the pleasure of having no rules/no boundaries except one: a rule they decided to break anyway. The guy who fell in love with a woman who clearly was doing her best to have him killed. In "Big Dummies of the Bible," bestselling author Stephen Miller shows readers some shockingly dumb moves by men and women of the Bible. Yet, thousands of years later, we're still making the same mistakes, and the results often turn out to be as grievous now as they were for these biblical characters. Miller teaches us how to avoid these mistakes and the inevitable accompanying pain and heartache.

**Rising Up from the Dirt!** Re'al Bull Oney, LLC, 2006-06 Life's wretched circumstances reach out with a death grip's hold upon an unfortunate character, and that poor soul can't break away from its lethal clutch without an old friend's assistance. But who is he really? Poverty and slums exist only to squeeze the life and respect from the living who must wallow there in the filth. Hopelessness makes them react like rabid animals, and only the overdosed dead throat slit bodies that lie alone on the darkened streets and alleyways of a dirty city can escape from that grip. One young Midwest black girl, a drug-addicted single mother and prostitute, tried. Can Angela triumph over her violent circumstances?

**The Confessions Of A High School Freshman** C.S. Luis, 2024-08-28 Clare is desperate to escape and struggling to fit in. She loses herself in creative writing and art but entering into high school and meeting Sherry opens a whole new world for her. Sherry has no qualms about making up stories about the rest of the student body; she even includes the faculty in her imaginative tales. Mr. CZ, the assistant principal who Clare has dubbed Smiley, takes on a starring role. Sherry creates every detail from failed marriages to abuse of his fictional kids, and Clare eats it up. It's the exact thing she needs to distract her from her own troubles. Claiming to be a good friend of the assistant principal, Sherry is determined to get Clare in the same room with the man, but the ever-shy Clare manages to avoid every attempt. As Sherry's lies continue to mount, her relationship with Clare becomes increasingly unstable. Breaking apart the friendship is hard on Clare, but she knows it's for the best. Feeling more alone than ever, she's desperate for a connection and the approval only an authority figure can give her. She finds that authority figure in Mr. CZ, but like everyone else in her life, betrayal is only one moment away.
