The Great Stone Face by Nathaniel Hawthorne attempts to compile many of the classic timeless works that have stood the test of time so that everyone can enjoy them And what was the Great Stone Face Embosomed amongst a family of lofty mountains there was a valley so spacious that it contained many thousand inhabitants Some of these good people dwelt in log huts with the black forest all around them on the steep and difficult hill sides Others had their homes in comfortable farm houses and cultivated the rich soil on the gentle slopes or level surfaces of the valley Others again were congregated into populous villages where some wild highland rivulet tumbling down from its birthplace in the upper mountain region had been caught and tamed by human cunning and compelled to turn the machinery of cotton factories The inhabitants of this valley in short were numerous and of many modes of life But all of them grown people and children had a kind of familiarity with the Great Stone Face although some possessed the gift of distinguishing this grand natural phenomenon more perfectly than many of their neighbors      **Bulletin of the Public Library** Providence Public Library (R.I.),1895      Monthly Bulletin of the Providence Public Library Providence Public Library (R.I.),1896      **The Literary News** Frederick Leypoldt,1898      The Great Stone Face ,2002 As the years pass and his small village grows Ethan watches for the fulfillment of the prophecy that someone born looking like the Great Stone Face up on the mountain will be the greatest noblest person of his time
