## **The Green Child:**

**The Green Child** Herbert Read, Sir Herbert Edward Read, 1989 The Green Child is the only novel by Herbert Read the famous English poet anarchist and literary critic First published by New Directions in 1948 it remains a singular work of bewildering imagination and radiance The author considered it a philosophical myth akin to Plato's cave Olivero the former dictator of a South American country has returned to his native England after faking his own assassination On a walk he sees through a cottage window a green skinned young girl tied to a chair He watches in horror as the kidnapper forces the girl to drink lamb's blood from a cup Olivero rescues the child and she leads him into unknown realms **The Green Child**

Herbert Edward Read, 1979 **Herbert Read Reassessed** David Goodway, 1998-01-01 Herbert Read 1893-1968 acquired in his lifetime a considerable international reputation in all the major areas of his diverse activities as poet as educationalist as anarchist as philosopher of aesthetics as art critic as historian of and above all as propagandist for modern art and design The papers assembled in Herbert Read Reassessed offer a comprehensive and authoritative coverage of Read's life work that is designed to stimulate debate An impressive volume it manages to present a unified but not totalizing portrait of one of England's most distinguished twentieth century critics English Historical Review **KIDSPEAK** Karen Brown, 2011-09-02

This book is designed to be a ready reference for you in times of stress It will provide you with a wealth of information to use every day as you travel through the adventure of parenting your children We all know how easy it is to be calm and centred when the kids are behaving It is not so easy though when calmness has disappeared and insanity seems to take hold It is my wish that you use this book as a source of inspiration and guidance That it becomes a companion and gentle reminder to you of the wonderful parent you are and that it serves to reinforce what you already know Affective Materialities Kara

Watts, Molly Volanth Hall, Robin Hackett, 2019-03-04 Affective Materialities reads modernist literature for the ways in which bodies come to matter physically socially and juridically using two recent turns in literary studies one to affect studies and the other to ecocriticism Each chapter in the collection delves into a multifold body investigating how body forms come to matter *The Good Listener* Andrew Black, 2024-02-09 About the Book The Good Listener is a bold new fiction book about a plan among the animal leaders of the world who meet at a barn in Los Angeles and develop a plan to end to the world wide destruction and suffering caused by human beings the animals have realized that the devastation is almost irreversible and that the animals have one last chance to stop the humans before a mass extinction of the animal kingdom begins The animals agree to infect a young couple with a special seed obtained from the tar pits secretly creating a hybrid child The Good Listener a human baby with certain plant and animal characteristics which help the child communicate with every living thing on the earth While The Good Listener has no eyes ears mouth nor nostrils it can breathe see and hear through its green skin and is neither male nor female Insects birds and animals all come to see the wonderous child while grasses trees and plants bloom as the child walks past The animals hope that The Good Listener will convince the people of the world that they

must change their ways before the humans are left in a world with no plants or animals but the government seizes the child for evaluation after it is seen in public With The Good Listener s help the animals of the sea create a tsunami attacking Los Angeles and while the predators of the land attack humans in the city the rest of the animals flee to the high mountains beginning a new life away from humans At the same time the plants release a new type of pollen which is nutritious to birds and insects but is flammable and is also noxious and toxic to humans To save themselves the humans must develop a plan respecting accommodating and incorporating all of the plants insects fish and animals of the world or the humans will become extinct instead of the plants or the animals The book is an adventure story comprised of numerous animals several humans and the hybrid child The book contains a pre quill embedded within the storyline as well as an open end allowing a sequel In addition several of the animal characters have such unique personalities allowing the development of one or more independent prequel storylines Alan the king of the ants and Frank the lord of the flies are central figures in the book and likely deserve their own background stories Finally the main character the hybrid child is unique and fascinating creating a never before seen opportunity to develop a multi book line of sequels

**The Green Child** Herbert Read,1973      **Micro Middle Ages** Paul Edward Dutton,2023-10-30 Micro Middle Ages brings together five microhistorical case studies focusing on small or seemingly inconsequential evidence that leads to broader conclusions about medieval history and the way we do and understand history in general Paul Dutton provides an overview of microhistorical approaches and theorizes about its use in pre modern history As opposed to studying history from above or history from below Dutton shows the advantages for historians of doing history from the inside out starting from some single overlooked but potentially knowable thing delving deep inside and then reattaching it to its time and place Such an approach has one abiding advantage its insistence on being grounded in the particularity of the evidence The book highlights what the microhistorical is its conceptual and practical challenges Dutton argues that the attention to the micro has always been with us and is a constitutive cognitive part of who we are as human beings
