Wow I absolutely loved this book I was not able to put it down from the moment I started it so much so that I devoured it in just two days Goodreads reviewer Natasha Mayston wasn't expecting anyone to knock on her door so late at night And she has no idea that the face staring back at her is the last one she'll ever see As Detective Dan Lockhart is called to a wealthy London street to investigate Natasha's death he's startled by the similarity to a previous case Noticing the cable tie restraints and the tiny scratches on Natasha's wedding finger Dan already knows what he will find if he looks in her mouth the metal ball which choked her to death He knows Natasha isn't the killer's first victim and is certain that he will strike again Months earlier Kim Hardy was found in the same position in a run down hotel across the city an identical silver ball in her throat But Kim's murderer was caught and sent to prison did they arrest the wrong man And what connects the two victims Fearing that he's dealing with a psychopathic serial killer Dan calls in psychologist Dr Lexi Green to help him to get into the perpetrator's mind Tough and smart Lexi will stop at nothing to hunt down the man responsible for the deaths Then another body is discovered just as Lexi finds a clue online leading to the killer Dan's team aren't convinced but in pushing Lexi away from the investigation they force her to dig further into the case on her own Convinced that she's on to something she puts herself in unthinkable danger but can Dan piece together the clues and identify the killer before it's too late Fans of Angela Marsons Robert Dugoni and Cara Hunter will love this thrilling new series from Chris Merritt From an explosive start to a heart stopping finale you will not want to put this book down What readers are saying about Knock Knock Gripping from the get go Impossible to put down once you start The fact that I kept turning the pages the adrenalin pumping makes Knock Knock a compelling read Goodreads reviewer 5 stars My heart beating so fast I couldn't believe what I was reading It had me in shock Every page every chapter was a page turner What a rollercoaster Goodreads reviewer 5 stars Oh wow I am a huge fan of this author's work These are the books that I love This book is just great greater the greatest B for Bookreview 5 stars Loved the book It's edge of your seat reading Goodreads reviewer Wow This is one of the best books I have read this year Really incredible Goodreads reviewer 5 stars Oh this was good very very good I was blown away It's one hell of a good thriller Goodreads reviewer I fell into this story and finished it in two days A must read Two Girls and a Book Obsession 5 stars My heart was in my mouth I loved it Goodreads reviewer 5 stars What a roller coaster Like OMG It's so good Goodreads reviewer 5 stars An absolutely gripping and fantastic read NetGalley Reviewer 5 stars The ending is brilliant and full of suspense Goodreads reviewer 5 stars I was completely immersed in the story the suspense had my heart pounding at times This is an unmissable and intense thriller Goodreads reviewer 5 stars Tense and chilling with so many twists and turns NetGalley reviewer I literally couldn't put it down Book Lover 5 stars A fast paced thriller with a jaw dropping finale Goodreads reviewer 5 stars [The Uncensored History of Books](#) Conrad Riker, They Erased Your History This Book Restores It Why do
