The Growing Dim Project Life Of Death:

The Persephone Myth in Young Adult Fiction Cristina Salcedo González, 2024-12-12 Investigating the widespread but understudied presence of the Persephone myth within 21st century young adult literature Cristina Salcedo González analyses six young adult novels which incorporate a reworking of this ancient Greek myth Through the identification of mythic themes mythemes and patterns within these novels González shows that these works evoke the female life cycle and develop current perceptions of the female maturational experience As a result Salcedo González makes an important contribution in establishing the cultural significance of young adult literature in the world of classical reception These novels all written by women also inflect or interpret the myth in ways influenced by their contemporary contexts specifically the impact of the novels target readership on the aspects of the myth that are either emphasised e g Persephone's descent into the underworld her existence there and her re ascent or de emphasised e g the mourning and wanderings of Demeter This book makes original methodological contributions through its innovative dual perspective of myth criticism and classical reception to our understanding of the academically neglected genre of young adult literature and the reception of the myth of Persephone As a result Salcedo González significantly contributes to establishing the cultural significance of young adult literature within the realm of classical reception

The Growing Dim Project, Life of Death Nicholas A. McGirr, 2005-05 It was one day in October that a family's life would be forever changed Some could say for the better while others may argue for the worse Kay Wagner a registered nurse since 1985 spent most of her professional career in critical care settings Her love has been in caring for patients in the specialized area of neurology neurosurgery those with such disorders as strokes back and spinal cord injuries aneurysms and brain tumors Never in her wildest dreams could she have imagined that such skills would be put to the test in her own personal life Her oldest daughter Kara would be diagnosed with a brain cyst that was to be surgically treated with a shunt Acting on her professional instincts as a nurse and more importantly on her gut instincts as a mother she delves deeper into her daughter's diagnosis and finds that Kara had not only a cyst but a rare malignant brain tumor Kara's Courage is a heartwarming true story that will take you on a journey of uncertainty fear and humbleness as experienced by the author in her forever conflicting roles as a nurse and as a mother from the other side of the stretcher

Existential and Ontological Dimensions of Time in Heidegger and Dōgen Steven Heine, 1985-06-30 In a landmark work Steven Heine establishes the basis and framework for philosophical dialogue between Heidegger's approach to Being and Time and Dogen's doctrine of being time Close examination of their analysis of the true nature structure and meaning of time reveals critical points of convergence in the existential and ontological dimensions of their thought Heine asserts that Heidegger and Dogen are uniquely suited for critical comparative and cross cultural study because both attempt to overcome their respective philosophical traditions that express unacknowledged and deficient presuppositions concerning time And both reorient our understanding of all phases of existence and experience in terms of time and temporality death and dying

and finitude and impermanence Heine provides new insight into Dogen's philosophy as seen in the Uji chapter of Dogen's *Shorogenzo*. The book features a new annotated translation of the Uji and a glossary of Japanese terms. *The Collected Works of William Walker Atkinson - Self-Help Collection* William Walker Atkinson, 2023-12-29 In *The Collected Works of William Walker Atkinson Self Help Collection* the reader is immersed in a comprehensive anthology that encapsulates Atkinson's pioneering contributions to the self-help genre.
