## Fall Down Seven Times Get Up Eight:

Never Give Up Rami Zahr,2024-10-30 Never Give Up is a short yet impactful book designed to help you face life's challenges with resilience and purpose. Through seven simple but transformative rules, it offers insights and personal stories that inspire anyone feeling weighed down by adversity. Whether you're currently struggling with personal hardships, professional setbacks, or emotional battles, these rules provide a way to rise above challenges and stay focused on your goals. This book is especially intended for those who, as young children, faced significant hardships and challenges, and now, as they've grown older, seek inspiration and guidance to find their way. Each rule touches on essential values like forgiveness, discipline, and perseverance, offering guidance not only to overcome hardships but to grow stronger through them. With reflective questions at the end of each chapter, Never Give Up invites you to reflect on your own journey, helping you connect deeply with the principles and empowering you to move forward with confidence. No matter where you are in life, this book will remind you that every obstacle is an opportunity for growth and every step forward is a victory.

## Smile At Strangers

Susan Schorn,2013-05-28 Eat, pray, kick ass. Delivered with self-deprecating candor, Schorn's life lessons learned at the dojo will resonate with anyone who's ever tried to remodel a house, raise kids, cope with a health crisis, navigate office politics, or hyperventilated. Essentially, anyone who's ever been slammed on the mat while testing for the black belt of life. Like the fighter herself, you can't put this one down. Mary Moore, author of *The Unexpected When You're Expecting*, Susan Schorn led an anxious life. For no clear reason, she had become progressively paralyzed by fear. Fed up with feeling powerless, she took up karate. She learned how to say no and how to fight when you have to even in the dark. Karate taught her how to persuade her husband to wear a helmet, best one bossy Girl Scout troop leader, and set boundaries with an over-sharing boss. Here, this double black belt recounts a fighting, biting, laughing woman's journey on the road to living fearlessly, where enlightenment is as much about embracing absurdity and landing a punch as about finding that perfect method of meditation. Full of hilarious hijinks and tactical wisdom, Schorn's quest for a more satisfying life features practical and often counterintuitive lessons about safety and self-defense. Smile at strangers, she says. Question your habits, your fears, your self-criticism. Self-criticism is easy. Self-improvement is hard. And don't forget this essential gem: Everybody wants to have adventures. Whether they know it or not, join the adventure in these pages and come through it poised to have more of your own.
