It is now widely used, and in many ways it is ideal for children: it is user-friendly, compact, powerful, and stylish. The book looks at the functionality of the iPad so that you can understand how your child is using it and also make the most of yourself. It then covers a range of topics for which the iPad can be used: education, games, photos, music, creativity, and social networking. This third edition covers the latest operating system, iOS 7.
