Target Conestoga:

Literary Afterlife Bernard A. Drew, 2010-03-08 This is an encyclopedic work arranged by broad categories and then by original authors of literary pastiches in which fictional characters have reappeared in new works after the deaths of the authors that created them. It includes book series that have continued under a deceased writer's real or pen name, undisguised offshoots issued under the new writer's name, posthumous collaborations in which a deceased author's unfinished manuscript is completed by another writer, unauthorized pastiches and biographies of literary characters. The authors and works are entered under the following categories: Action and Adventure, Classics 18th Century and Earlier, Classics 19th Century, Classics 20th Century, Crime and Mystery, Espionage, Fantasy and Horror, Humor, Juveniles 19th Century, Juveniles 20th Century, Poets, Pulps, Romances, Science Fiction and Westerns. Each original author entry includes a short biography, a list of original works and information on the pastiches based on the author's characters.

Buzzard's Gap Jon Sharpe, 1989 Color illustration on front cover of four superimposed vignettes: man in red bandana and white hat holding pistol, bare-chested man embracing woman with dark hair, naked man in field with three Tee Pee's, man in brown clothing and white hat laying on rock hill aiming rifle at approaching horsemen.

Effective Bullying Prevention Adam Collins, Jason Harlacher, 2022-12-21 Going beyond other bullying prevention resources, this book presents an approach grounded in evidence-based best practices together with concrete guidance for weaving it sustainably into the fabric of a school. The authors describe a range of ways to support the development of prosocial skills in K-12 students, make data-based decisions to respond to bullying, and build partnerships across students, staff, and families. Of crucial importance, the book explains how to ensure that bullying prevention efforts are implemented with fidelity and do not fade away over time. An in-depth case study illustrates what effective implementation looks like in the school setting. The large size format facilitates photocopying; reproducible tools to support implementation can be downloaded and printed for repeated use. This book is in The Guilford Practical Intervention in the Schools Series, edited by Sandra M. Chafores.

Desperate Dispatch Jon Sharpe, 1989 An army of hired killers and smart sneak thieves had pushed the Pony Express to the brink of ruin and Skye Fargo had the job of saving it. But millionaires, fetching women, and savage gunmen were slowing him down.

Language, Speech and Mind Larry M. Hyman, Charles N. Mesabi Huntdown Jon Sharpe, 1989 It

started with a woman hunt that left Skye Fargo with a lot fewer bullets in his belt and not one but two females on his hands There was Denise who had a past she didn t like to talk about and Julie who had a past she couldn t remember The trouble was Julie s past included a fortune in silver in a lost mine somewhere in the trackless Mesabi range and it was up to the Trailsman to jog her memory back to life while dealing out death to the killers who meant to make sure that instead of the missing mine Skye found an unmarked grave

"Haughty Conquerors" William Nester,2000-07-30 During 1763 and 1764 a loose coalition of

Native American tribes ranging from the Appalachian Mountains to the Mississippi River and from the Ohio Valley to the Great Lakes revolted against the oppression and neglect of their newly installed British masters This Great Uprising ranks

among the most successful wars in Native American history with the assault and capture of nine forts the siege of Forts

Detroit and Pitt and finally a negotiated peace that met most of their demands Yet the victories proved to be fleeting as tribal enthusiasm waned Within a generation another wave of settlers and a frontier war would conquer much of what the

unfortunate tribes would cling to with their victory There would be no simple solution to the conflict Now nearly dependent on the white man s technology and trade tribal leaders were forced to face the prospects of an uncertain future Supplies

captured from the forts would last only so long and the war had diverted valuable manpower from the yearly hunt While the British had managed to quell the uprising they did so largely through diplomacy and they paid a high political price with

negotiations conceding nearly every tribal demand However within a generation yet another wave of settlers and a frontier war would conquer much of what the unfortunate tribes would cling to with their victory
