 American Jews mobilization on behalf of Soviet Jews is typically portrayed as compensation for the community's inability to
 assist European Jews during World War II Yet as Pauline Peretz shows the role Israel played in setting the agenda for a
 segment of the American Jewish community was central Her careful examination of relations between the Jewish state and
 the Jewish diaspora offers insight into Israel's influence over the American Jewish community and how this influence can be
 conceptualized To explain how Jewish emigration moved from a solely Jewish issue to a humanitarian question that required
 the intervention of the US government during the Cold War Peretz traces the activities of Israel in securing the immigration
 of Soviet Jews and promoting awareness in Western countries Peretz uses mobilization studies to explain a succession of
 objectives on the part of Israel and the stages in which it mobilized American Jews Peretz attempts to reintroduce Israel as
