**Soviet Policy Towards South Africa** Kurt M Campbell, 1986-11-11      **Soviet Policy in Africa** George W. Breslauer, 1992      **Russian and Soviet Perspectives on South Africa**, 1991      Soviet Strategy Toward Southern Africa Daniel R. Kempton, 1989-05-15 This study is the first significant work to examine Soviet involvement with national liberation movements NLMs in Africa as a separate subcategory of Soviet foreign policy in the developing world The text compares and contrasts actual Soviet behavior with declared policy Daniel R Kempton presents three case studies the African National Congress ANC in South Africa The Movimento Popular de Libertacao de Angola MPLA and the Zimbabwe African People s Union ZAPU These cases trace the development of the Soviet Union s ties to the national liberation movements the amount and types of assistance provided and the impact of the relationship on the national liberation movements General analysts of international relations analysts of Soviet foreign policy and Africanists will find this a valuable resource The author contends that during the 1960s and 1970s the Soviet Union pursued a common strategy toward all three national liberation movements Although the strategy was applied flexibly to take into account the idiosyncracies of the individual liberation struggles in each case the Soviet Union pushed the national liberation movement to adopt the Soviet political model The Soviet view was that the adoption of this model would eventually lead to the development of relatively more stable and dependable allies Since 1980 however in each case there is significant evidence that the Soviet Union has altered markedly if not abandoned its previous strategy      A New Mood in Moscow Steven Friedman, Monty Narsoo, 1989      The Soviet Union In The Third World Carol R Saivetz, Harvard University. Russian Research Center, 1989-07-16      *Berichte Des Bundesinstituts Für Ostwissenschaftliche und Internationale Studien* Bundesinstitut für Ostwissenschaftliche und Internationale Studien (Germany), 1990      The Hidden Thread Irina Filatova, 2013-06-28 The Hidden Thread is a journey of revelation about the relationship between Soviet Russia and South Africa hidden for most of its length The story is told with insight and depth by Irina Filatova and Apollon Davidson who have had a decades long association researching and writing on Russian and South African politics and history This insightful work follows the often surprising twists and turns of the history of South Africa s relationship with Russia and its people which started in the eighteenth century and is still very much alive today The story evolves from the Russian volunteers who fought alongside the Boers in the Anglo Boer War to South Africans who participated in the Russian revolution and civil war from the Russian Jewish immigration to South Africa to the close involvement of the South African communists in the Communist International from the Soviet consulates in South Africa and the activities of South Africa s Friends of the Soviet Union Society during the Second World War to the vicissitudes of the Cold War and the hot war in Angola from the SACP and ANC s relations with the USSR to the volte face of perestroika and South Africa s transition and to today s business political cultural and sometimes criminal connections between Russians and South Africans      **Our Policy Towards Russia** Joseph King, 1919      South Africa International, 1991      Africa in Russia,

Russia in Africa Maxim Matusevich, 2007 This book presents an interdisciplinary look at the complex nature of historical political and cultural ties between Africa and Russia A diverse group of accomplished historians sociologists political scientists and journalists have contributed essays that reveal and explain a variety of invisible links tying together the seemingly incongruent cultural and historical traditions of Africa and Russia From African presence in early imperial Russia to the Soviet adventures in colonial and post colonial Africa to the role and predicament of African Russians in the post Soviet society this volume stakes out a vast emerging field for further scholarly research and interpretation **Political Legitimacy in South Africa** Christine Lienemann-Perrin, Wolfgang Lienemann, 1988 SAIRR News , 1989 The American Review on the Soviet Union , 1946 *The Changing Content of Soviet Policy Towards Southern Africa* Philip Nel, 1990 *Focus on South Africa* , 1989-02 The Speaker , 1893 *The South African Communist Party, 1963-1990* Eddy Maloka, 2002 There is little written material on the history of the South African Communist Party SACP during the period 1963 1990 Material that does exist often lacks independence since it was influenced by Cold War bias or was written by the Party itself This succinct volume on the SACP reconstructs the period from a post Cold War and post apartheid perspective It covers for example the Bram Fischer era and the aftermath of the Rivonia offensive the Morogoro conference and its impact on the SACP s relationship with the African National Congress The study considers the party s underground periods its role in exile its armed factions and the various transformations the party underwent in the 1970s and 1980s The author also discusses the party s ideology strategy and tactics internal dynamics and its relations with other political organisations Free Russia , 1895 Report on the USSR , 1989-04
