## **Space Discovery Program:**

NASA Spaceflight Roger D. Launius, Howard E. McCurdy, 2017-10-11 This book presents the first comprehensive history of innovation at NASA bringing together experts in the field to illuminate how public private and international partnerships have fueled new ways of exploring space since the beginning of space travel itself. Twelve case studies trace the messy, risky history of such partnerships exploring the role of AT all have challenged conventional methods of doing the public's business in space. Together these essays offer new insights into how innovation happens with invaluable lessons for policymakers, investors, economists and members of the space community.
