Spanish Cuban American War And The Birth Of American Imperialism 1895 19:

The Spanish-Cuban-American War and the Birth of American Imperialism, 1895-1902: 1898-1902 Philip Sheldon Foner, 1972 This major work by Philip Foner the well known historian has as its chief object the re definition of the conflict known in the U S historiography as the Spanish American war This very name in his view reflects the bias of two generations of historians who relegated Cuba to the passive position of a prize in a struggle between Spain and the United States It is his contention that the Cuban nation by virtue of its prolonged and successful rebellion of 1895 1898 treated in Vol 1 was a central protagonist of the conflict its role ending when it was subjected to neocolonial status by the United States In pursuing this new outlook Professor Foner studied the sources available in the United States the rich materials in the Archivo Nacional and the Library of the City Historian in Havana and enlisted help and documentary evidence furnished by the leading historians and historical institutes of Cuba These sources have enabled him to deal at length with the occupation and subjugation of Cuba by the United States and reconstruct the story in richer detail and in a more realistic interpretation than has ever been done before Volume II begins with the war in Cuba after U S intervention in 1898 and covers the imposition of U S domination of Cuba through the Platt Amendment which marked the beginning of American neocolonialism Back cover

The Spanish-Cuban-American War and the Birth of American Imperialism Vol. 1 Philip S. Foner, 1972 This major work by Philip Foner the well known historian has as its chief object the re definition of the conflict known in the U S historiography as the Spanish American war This very name in his view reflects the bias of two generations of historians who relegated Cuba to the passive position of a prize in a struggle between Spain and the United States It is his contention that the Cuban nation by virtue of its prolonged and successful rebellion of 1895 1898 treated in Vol 1 was a central protagonist of the conflict its role ending when it was subjected to neocolonial status by the United States In pursuing this new outlook Professor Foner studied the sources available in the United States the rich materials in the Archivo Nacional and the Library of the City Historian in Havana and enlisted help and documentary evidence furnished by the leading historians and historical institutes of Cuba These sources have enabled him to deal at length with the occupation and subjugation of Cuba by the United States and reconstruct the story in richer detail and in a more realistic interpretation than has ever been done before Volume II begins with the war in Cuba after U S intervention in 1898 and covers the imposition of U S domination of Cuba through the Platt Amendment which marked the beginning of American neocolonialism Back cover

The Spanish-Cuban-American War and the Birth of American Imperialism, 1895-1902 Philip S. Foner, 1972 **The**

Spanish-American War and President McKinley Lewis L. Gould, 1982 This lively thought provoking analysis is based on the author s highly acclaimed Presidency of William McKinley This is by all odds the best study of the coming of the war the war itself and the aftermath of the conflict Paul S Holbo University of Oregon According to the author McKinley s enhancement of presidential power and his personal leadership in war making and diplomacy made him the first truly

modern president This thesis is carefully developed and effectively argued The book s brevity readability and interpretive insights make it attractive for the classroom But this is no mere digest for undergraduates for more advanced scholars can learn from it too Pacific Historical Review

In the Cause of Humanity Fabian Klose, 2021-12-09 A major new history of the emergence of the theory and practice of humanitarian intervention during the nineteenth century

José Martí, the United States, and the Marxist Interpretation of Cuban History Carlos Ripoll, 1984-01-01 This brief volume is an eloquent statement on the meaning of Jose Martí s thought as well as on how his thought has been harnessed to the needs of ideology in present day Cuba Hence Jose Martí the United States and the Marxist Interpretation of Cuban History should quite properly be viewed as a contribution to the sociology of knowledge and the political processing of the literature Professor Ripoll s volume gives special attention to Martí s writings on the United States without sparing the colonialist and annexationist currents of the times Martí in his writing demonstrated a full and balanced sense of pluralist currents in the United States The author sees Martí in his desire for redemption as a truer socialist and revolutionary than those who seek to cloak themselves in his words Because Martí believed freedom to be indispensable for the advancement of society efforts to hitch Martí to a single ideological post are considered futile

El Norte Carrie Gibson, 2022-03-30 A sweeping saga of the Spanish history and influence in North America over five centuries from the acclaimed author of *Empire s Crossroads* Because of our shared English language as well as the celebrated origin tales of the Mayflower and the rebellion of the British colonies the United States has prized its Anglo heritage above all others However as Carrie Gibson explains with great depth and clarity in *El Norte* the nation has much older Spanish roots ones that have long been unacknowledged or marginalized The Hispanic past of the United States predates the arrival of the Pilgrims by a century and has been every bit as important in shaping the nation as it exists today *El Norte* chronicles the dramatic history of Hispanic North America from the arrival of the Spanish in the early 16th century to the present from Ponce de León s initial landing in Florida in 1513 to Spanish control of the vast Louisiana territory in 1762 to the Mexican American War in 1846 and up to the more recent tragedy of post hurricane Puerto Rico and the ongoing border acrimony with Mexico Interwoven in this narrative of events and people are cultural issues that have been there from the start but which are unresolved to this day language belonging community race and nationality Seeing them play out over centuries provides vital perspective at a time when it is urgently needed In 1883 Walt Whitman meditated on his country s Spanish past We Americans have yet to really learn our own antecedents and sort them to unify them predicting that to that composite American identity of the future Spanish character will supply some of the most needed parts That future is here and *El Norte* a stirring and eventful history in its own right will make a powerful impact on our national understanding This history debunks the myth of American exceptionalism by revisiting a past that is not British and Protestant but Hispanic and Catholic Gibson begins with the arrival of Spaniards in La Florida in 1513 discusses Mexico s ceding of territory to the U S in 1848 and concludes with Trump s nativist fixations Along

the way she explains how California came to be named after a fictional island in a book by a Castilian Renaissance writer and asks why we ignore a chapter of our history that began long before the Pilgrims arrived At a time when the building of walls occupies so much attention Gibson makes a case for the blurring of boundaries New Yorker A sweeping and accessible survey of the Hispanic history of the U S that illuminates the integral impact of the Spanish and their descendants on the U S social and cultural development This unusual and insightful work provides a welcome and thought provoking angle on the country s history and should be widely appreciated Publishers Weekly starred review PW Pick

Cuba (Winner of the Pulitzer Prize) Ada Ferrer, 2022-06-28 Proporcionado por el ed In 1961 at the height of the Cold War the United States severed diplomatic relations with Cuba where a momentous revolution had taken power three years earlier For more than half a century the stand off continued through the tenure of ten American presidents and the fifty year rule of Fidel Castro His death in 2016 and the retirement of his brother and successor Ra l Castro in 2021 have spurred questions about the country s future Meanwhile politics in Washington Barack Obama s opening to the island Donald Trump s reversal of that policy and the election of Joe Biden have made the relationship between the two nations a subject of debate once more Now award winning historian Ada Ferrer delivers an ambitious chronicle written for an era that demands a new reckoning with the island s past Spanning more than five centuries Cuba An American History reveals the evolution of the modern nation with its dramatic record of conquest and colonization of slavery and freedom of independence and revolutions made and unmade Along the way Ferrer explores the influence of the United States on Cuba and the many ways the island has been a recurring presence in US affairs This is a story that will give Americans unexpected insights into the history of their own nation and in so doing help them imagine a new relationship with Cuba Filled with rousing stories and characters and drawing on more than thirty years of research in Cuba Spain and the United States as well as the author s own extensive travel to the island over the same period this is a stunning and monumental account like no other

The Spanish-Cuban-American War and the Birth of American Imperialism, 1895-1902 Philip Sheldon Foner, 1973-01-01

Encyclopedia of Historians and Historical Writing Kelly Boyd, 2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like J rgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies

The Spanish-Cuban-American War and the Birth of American Imperialism, 1895-1902 P. Foner, 1972

Historians,1999 *The Spanish-Cuban-American War and the Birth of American Imperialism, 1895-1902* Philip Sheldon Foner,1972 *The Encyclopedia of the Spanish-American and Philippine-American Wars* Spencer C. Tucker,2009-05-20 A comprehensive overview of the wars that saw the United States emerge as a world power one that had immense implications for America especially in Latin America and Asia ABC CLIO acclaimed publisher of superior references on the United States at war revisits a pivotal moment in America s coming of age with *The Encyclopedia of the Spanish American and Philippine American Wars* A Political Social and Military History Again under the direction of renowned scholar Spencer Tucker the encyclopedia covers the conflict between the United States and Spain with a depth and breadth no other reference works can match The encyclopedia offers two complete volumes of alphabetically organized entries written by some of the world s foremost historians covering everything from the course of the wars to relevant economic social and cultural matters in the United States Spain and other nations Featuring a separate volume of primary source documents and a wealth of images and maps the encyclopedia portrays the day to day drama and lasting legacy of the war like never before guiding readers through a seminal event in America s transition from the Gilded Age to the Progressive Era **Magill's Guide to Military History: Cor-Jan** ,2001 Salem Press s five volume Magill s Guide to Military History presents a survey of the wars battles peoples groups and civilizations that played an important role in worldwide military history from ancient times to the twenty first century In addition to comprehensive coverage of Western military history the encyclopedia examines the major military events personages and civilizations of the entire world from the beginning of military history Includes Time Line of Wars and Battles Wars and Battles by Geographical Area Military Leaders by Geographic Area and List of Entries by Category *The Greenwood Library of American War Reporting: The Indian wars & the Spanish-American War* David A. Copeland,2005

Cuban Americans James Stuart Olson,Judith E. Olson,1995 In this insightful and fascinating survey of Cuban American settlement in the United States James and Judith Olson look at the unique Cuban American identity still intact highly visible and politically active maintained by a people separated from their homeland by ideology and a mere 90 miles across the Straits of Florida The Olsons point out that more so than any other U S ethnic group Cuban Americans have achieved a remarkable degree of demographic concentration primarily settling in the Miami area and have been among the most politically visible and the most economically successful of immigrant groups considering that in the early 1990s they were among the most recent arrivals to the United States The Olsons take a chronological approach to Cuban immigration covering the origins of a Cuban culture in America the early Cuban American community here Castro s 1955 revolution and reaction to it in Cuba and the United States Cuban America in the 1950s the Golden Exiles who entered the United States from 1959 to 1970 change and assimilation within the Cuban American community from 1970 to 1980 immigrants from the Mariel boatlift and finally Cuban America in 1995 Today the Olsons note American corporations and Cuban American entrepreneurs stand poised to do business on the island the minute Castro s stranglehold gives way hotels cruise lines airline

companies cable television companies and fast food franchises are ready to bring capitalism and American popular culture back to Cuba In the meantime culturally economically and politically rich and bustling Cuban American enclaves contribute to a unique hybrid heritage that may one day be returned to Cuba but with a character distinctly its own The Spanish-Cuban-American War and the Birth of American Imperialism, 1895-1902 Philip Sheldon Foner, 1972 **European Perceptions of the Spanish-American War of 1898** Sylvia L. Hilton, Steve Ickringill, 1999 This book consists of ten essays focussing on reactions in different parts of Europe to the Spanish American War of 1898 Largely the concentration is on the work of journalists publicists politicians and other self conscious framers of public opinion An attempt is also made to discover how such people gained their information on the War and then tried to place it in their existing perceptions of the United States In the Eagle's Shadow Kyle Longley, 2002 Contents Introduction A New World Created The Turbulent Era From Naboth's Vineyard to the Big Stick The Era of Bad Feelings The Era of the Good Neighbour The Death of the Good Neighbour Years of Hope Years of Frustration From Cold War to New New World Order Index
