Stalin conspired with German leaders to bypass the Versailles Treaty which forbade German rearmament and secretly trained German engineers and officers and provided bases and factories for war He also calls attention to the 1939 non aggression pact between the Soviet Union and Germany that allowed Hitler to proceed with his plans to invade Poland fomenting war in Europe Suvorov debunks the theory that Stalin was duped by Hitler and that the Soviet Union was a victim of Nazi aggression Instead he makes the case that Stalin neither feared Hitler nor mistakenly trusted him Suvorov maintains that after Germany occupied Poland defeated France and started to prepare for an invasion of Great Britain Hitler s intelligence services detected the Soviet Union s preparations for a major war against Germany This detection he argues led to Germany s preemptive war plan and the launch of an invasion of the USSR Stalin emerges from the pages of this book as a diabolical genius consumed by visions of a worldwide Communist revolution at any cost a leader who wooed Hitler and Germany in his own effort to conquer the world BOOK JACKET     Illustrated Naval and Military Magazine ,1888     *Littell's Living Age* ,1887     **Army and Navy Gazette** ,1877     *Saturday Review* ,1888     The Saturday Review of Politics, Literature, Science and Art ,1888
