Soviet Union Under Brezhnev:

The Soviet Union under Brezhnev William J. Tompson, 2014-07-30 The Soviet Union Under Brezhnev provides an accessible post Soviet perspective on the history of the USSR from the mid 1960 s to the mid 1980 s It challenges both the evil empire image of the USSR that was widespread in the early 1980 s and the stagnation label attached to the period by Soviet reformers under Gorbachev The book makes use of a range of memoirs interviews archival documents and other sources not available before 1990 to place Brezhnev and his epoch in a broader historical context The author examines high politics foreign policy and policy making explores broader social cultural and demographic trends presents a picture of Soviet society in the crucial decades prior to the upheavals and crises of the late 1980 s While stopping well short of a full scale rehabilitation of Brezhnev Tompson rejects the prevailing image of the Soviet leader as a colourless non entity drawing attention to Brezhnev s real political skills as well as his faults and to the systemic roots of many of the problems he faced

The Soviet Union Under Brezhnev and Kosygin: the Transition Years John W. Strong, 1971 Collection of essays evolved from a series of lectures given at Carleton University in Ottawa Canada during 1968 **Patterns of Deprivation in the Soviet Union Under Brezhnev and Gorbachev** Mervyn Matthews, 1989 This study focuses on important aspects of daily life food clothing housing education occupational and educational mobility employment and the prestige of various occupations mainly among poor urban Soviet families between 1977 and 1979 **Russia and Eastern Europe, 1789-1985** Raymond Pearson, 1989 **Everyday Soviet Utopias** Anna Alekseyeva, 2019-02-06 This book explores how intellectuals of the later Soviet decades the 1970s and 1980s sought to bring about the socialist utopian world It argues that the last two decades of the Soviet Union were not characterised by state withdrawal and malaise as some scholars have argued attempts to envisage and enact Utopia remained as imaginative and creative as ever The book considers what these utopian ideas looked like through housing schemes layouts of districts and cities design of objects and interiors and proposals for the organisation of family and social life Relating developments in the Soviet Union to evolving social theory and postmodernism more broadly the book draws transnational parallels between the intellectual history of east and west in the late twentieth century **The Soviet Union During the Brezhnev Era** Charles River Editors, 2019-06-06 Includes pictures Includes a bibliography for further reading For 30 years much of the West looked on with disdain as the Bolsheviks took power in Russia and created and consolidated the Soviet Union As bad as Vladimir Lenin seemed in the early 20th century Joseph Stalin was so much worse that Churchill later remarked of Lenin Their worst misfortune was his birth their next worst his death Before World War II Stalin consolidated his position by frequently purging party leaders most famously Leon Trotsky and Red Army leaders executing hundreds of thousands of people at the least And in one of history s greatest textbook examples of the idea that the enemy of my enemy is my friend Stalin s Soviet Union allied with Britain and the United States to defeat Hitler in Europe during World War II Stalin had ruled with an iron fist for nearly 30 years before his death in 1953 which may or may

not have been murder just as Stalin was preparing to conduct another purge With his death Soviet strongman and long time Stalinist Nikita Khrushchev 1894 1971 who had managed to stay a step ahead of Stalin s purges if only because he participated in them became the Soviet premier A barely known figure outside of the Eastern bloc Khrushchev was derided as a buffoon by one Western diplomat and mocked for his physical appearance by others but any Western hopes that he would prove a more conciliatory figure than Stalin were quickly snuffed out as the hard line Khrushchev embraced confrontational stances In a statement to Western diplomats at the Polish embassy in Moscow Khrushchev famously warned We will bury you And after his first meetings with President John F Kennedy Kennedy famously compared Khrushchev s negotiating techniques to his own father s Even today one of Khrushchev s most memorable moments is banging his shoe at a United Nations General Assembly meeting in September 1960 while a Filipino delegate was speaking Personal histrionics aside Khrushchev meant business when dealing with the West especially the United States and its young president John F Kennedy After sensing weakness and a lack of fortitude in Kennedy Khrushchev made his most audacious and ultimately costly decision by attempting to place nuclear warheads at advanced offensive bases located in Cuba right off the American mainland As it turned out the Cuban Missile Crisis would show the Kennedy Administration s resolve force Khrushchev to back down and ultimately sow the seeds of Khrushchev s fall from power By the time he died in 1971 he had been declared a non citizen of the nation he had ruled for nearly 20 years Leonid Brezhnev became First Secretary of the Communist Party in the Soviet Union in late 1964 after a plot to oust Khrushchev Little is remembered in the public imagination about Brezhnev in comparison to Mikhail Gorbachev Vladimir Lenin or Joseph Stalin despite the fact Brezhnev ruled the USSR from 1964 1982 longer than any Soviet leader other than Stalin In fact he held power during a tumultuous era that changed the world in remarkable ways and that era has been favorably remembered by many former Soviet citizens It marked a period of relative calm and even prosperity after the destruction of World War II and the tensions brought about by Khrushchev Foremost amongst Brezhnev s achievements would be the détente period in the early 1970s when the Soviets and Americans came to a number of agreements that reduced Cold War pressures and the alarming threat of nuclear war On the other side of the balance sheet Brezhnev oversaw a malaise in Soviet society that later became known as an era of stagnation during which the Communist Bloc fell far behind the West in terms of economic output and standard of living His regime also became notorious for its human rights abuses

Political Leadership in an Era of Decolonisation Malcolm Murfett, 2023-11-10

What is leadership and why is it so important In what ways does it look very different in different contexts and in what ways does it look the same Malcolm Murfett brings together a range of emerging and established scholars to examine these questions in light of some of the mid twentieth century s most intriguing national leaders In a series of striking biographical chapters lessons are drawn from the apartheid era in South Africa Lee s remarkable socio economic transformation of Singapore Castro s revolutionary overhauling of Cuba and the playing out of Bandaranaike s populist agenda in Sri Lanka

The book illuminates what Brezhnev and Nixon were looking for in the Cold War and what happened when the people turned against Nyerere in Tanzania the Shah in Iran and Ceau escu in Romania These case studies address what leadership meant for the individuals whose record in power is being examined These are not idealised portraits of how to do leadership but warts and all portrayals of exceptional individuals who scrabbled their way to the top and stayed there for several years during a period of great change Business schools have long studied the theoretical axioms of corporate leadership What this book does however is to move beyond the theory into the practical realm of politics and statecraft This is a fascinating book on leadership that will be of interest for students researchers and practitioners studying leadership in business and politics as well as for students of global history decolonisation and the Cold War Sovietology in Post-Mao China Jie Li,2023-02-13

The breakup of the Union of Soviet Socialist Republics USSR in 1991 had significant repercussions on Chinese politics foreign policy and other aspects In this book Jie Li examines the evolution of Chinese intellectual perceptions of the Soviet Union in the 1980s and 1990s before and after the collapse Relying on a larger body of updated Chinese sources Li re evaluates many key issues in post Mao Chinese Sovietology arguing that the Chinese views on the Soviet Union had been influenced and shaped by the ups and downs of Sino Soviet and later Sino Russian relations China s domestic political climate and the political developments in Moscow By researching the country of the Soviet Union Chinese Soviet watchers did not focus on the USSR alone but mostly attempted to confirm and legitimize the Chinese state policies of reform and open door in both decades By examining the Soviet past Chinese scholars not only demonstrated concern for the survival of the CCP regime but also attempted to envision the future direction and position of China in the post communist world **A History Of Russia Volume 2** Walter G. Moss,2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world **The Soviet Union Under Gorbachev** Martin McCauley,1987-05-06 In this book specialists address the main problems facing Gorbachev and are cautiously optimistic about his chances of modernising the USSR It is absolutely essential that results in 1986 and 1987 are good otherwise he will face failure He has been faced with serious problems in coming to power how has he fared *The Rise and Fall of Communism* Archie Brown,2010-08-17 Winner of the 2010 W J M Mackenzie Prize for Best Political Science Book of the Year 2010 The relentless rise of Communism was the most momentous political development of the first half of the twentieth century No political change has been more fundamental than its demise in Europe and its decline elsewhere In this hugely acclaimed book Archie Brown provides an indispensable history that examines the origins of the ideology its development in different countries its collapse in many states following the Soviet perestroika and its current incarnations around the globe The Rise and Fall of

Communism explains how and why Communists came to power how they were able in a variety of countries on different continents to hold on to power for so long and what brought about the downfall of so many Communist systems A groundbreaking work from an internationally renowned specialist this is the definitive study of the most remarkable political and human story of our times **Brezhnev Reconsidered** E. Bacon,M. Sandle,2002-10-11 Leonid Brezhnev was leader of the Soviet Union for almost two decades when it was at the height of its powers This book is a long overdue reappraisal of Brezhnev the man and the system over which he ruled By incorporating much of the new material available in Russian it challenges the received wisdom about the Brezhnev years and provides a fascinating insight into the life and times of one of the twentieth century s most neglected political leaders **From Washington to Moscow** Louis Sell,2016-08-04 When the United States and the Soviet Union signed the first Strategic Arms Limitation Talks accords in 1972 it was generally seen as the point at which the USSR achieved parity with the United States Less than twenty years later the Soviet Union had collapsed confounding experts who never expected it to happen during their lifetimes In From Washington to Moscow veteran US Foreign Service officer Louis Sell traces the history of US Soviet relations between 1972 and 1991 and explains why the Cold War came to an abrupt end Drawing heavily on archival sources and memoirs many in Russian as well as his own experiences Sell vividly describes events from the perspectives of American and Soviet participants He attributes the USSR s fall not to one specific cause but to a combination of the Soviet system s inherent weaknesses mistakes by Mikhail Gorbachev and challenges by Ronald Reagan and other US leaders He shows how the USSR s rapid and humiliating collapse and the inability of the West and Russia to find a way to cooperate respectfully and collegially helped set the foundation for Vladimir Putin s rise Public Policy and Administration in the Soviet Union Gordon B. Smith,1980 **Soviet Policy and United States Response in the Third World** Library of Congress. Congressional Research Service,1981 **The Soviet Union Since 1917** Martin McCauley,1981 **Soviet Studies Guide** Tania Kohn,1992 Critical bibliographic references to core literature on land environment and people Soviet history society and culture government and politics international relations armed forces economy business science and technology and general reference Crisis amid Plenty Thane Gustafson,2014-07-14 Although the Soviet Union has the most abundant energy reserves of any country energy policy has been the single most disruptive factor in its industry since the mid 1970s This major case study treats the paradox of the energy crisis as an essential part of larger economic problems of the Soviet Union and as a key issue in determining the fate of the Gorbachev reforms Originally published in 1989 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **A History of Soviet Russia**

M. K. Dziewanowski, 1989 **The Cold War and the New Imperialism** Henry Heller, 2006-07

The Cold War and the New Imperialism is an account of global history since 1945 which brings massive changes in global politics economics and society together in a single narrative illuminating and clarifying the dilemmas of the present Written for the general reader it draws together scholarly research from a wide range of sources without losing sight of the larger pattern of events In the sixty year period since the end of World War II the world has indeed been remade The war itself mobilized the political and social aspirations of hundreds of millions of people The contest between the United States and the Soviet Union for global dominance drew every country into its field of force Struggles for national liberation in the Third World brought an end to colonial empires Revolutions in China Cuba Vietnam and elsewhere shook the global order as did failed uprisings in Paris and Prague Since the end of the Cold War the forces of the capitalist market have overwhelmed social institutions that have given meaning to human existence for centuries But the end of the Cold War has created as many problems for the world s remaining superpower the United States as it has solved With its political economic and financial hegemony eroding the United States has responded with military adventures abroad and increasing inequality and authoritarianism at home The Cold War and the New Imperialism draws all these threads together and shows vividly that the end of history is not in sight

Soviet Union Under Brezhnev Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Soviet Union Under Brezhnev PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Soviet Union Under Brezhnev PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who

make these resources available. In conclusion, the availability of Soviet Union Under Brezhnev free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Soviet Union Under Brezhnev Books

1. Where can I buy Soviet Union Under Brezhnev books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
