Soviet Foreign Relations:

Soviet Foreign Relations Donald Gordon Bishop, 2012-06-01 An Introduction to Soviet Foreign Policy Richard F. Rosser, 1969 *The Foreign Policy of the Soviet Union* Alvin Z. Rubinstein, 1966 Soviet Foreign Policy in a Changing World Robbin Frederick Laird, Erik P. Hoffmann, This anthology provides readers with a broad overview of the sources substance and significance of Soviet foreign policy in the contemporary period It covers both the legacies of the tsarist and Stalinist eras and the motivations and priorities of present day Soviet leaders Included are sizable sections on the policy making process and military power as well as Soviet relations with the U S Western and Eastern Europe the Far East and the Third World Divergent viewpoints are expressed throughout future prospects and directions for Soviet foreign policy are also discussed The emphasis of this collection is practical and policy oriented The contributors are distinguished present and recent officials of the U S government scholars and full time researchers in government advisory agencies All are from the U S Canada and Europe Their essays are insightful and empirically grounded some revised and tipdated specifically for this collection while three Goodson and Schultz Herspring and Leighton are published here for the first time The collection provides a comprehensive view of contemporary Soviet behavior in international affairs while reflecting the concerns of Americans both inside and outside of government who help formulate and implement U S policy toward the Soviet Union As with its companion volumes *The Sovief Polity in the Modern Era* Aldine 1984 and *The Conduct of Soviet Foreign Policy* Aldine 1980 *Soviet Foreign Policy in a Changing World* will become an important text in Soviet studies and will be of interest to government officials and the general reader with an interest in Soviet studies as well Soviet Foreign Policy Since World War II Joseph L. Noguee, Robert H. Donaldson, 1992 *Soviet Foreign Relations* Peter Zwick, 1990 **Soviet Foreign Policy Since World War II** Alvin Z. Rubinstein, 1985 **Learning In U.s. And Soviet Foreign Policy** National Research Council (U.S.). Committee on International Conflict and Cooperation, 1991-07-03 Interest in the phenomenon of learning has been growing driven in part by the advent of Gorbachev and by prospects for ending the Cold War In this book scholars explore the theoretical and practical implications of the evolution of US and Soviet leaders beliefs in the past 45 years **Soviet Foreign Policy 1917-1991** Jr. Fleron, 2017-07-05 The purpose of this anthology is to deepen Western understanding of the sources and substance of the foreign policy of the Soviet Union Authoritative analysts here explore significant issues in Soviet foreign relations from the era of the Bolshevik Revolution and the Civil War to the period of reform that preceded the final collapse of the Soviet system The volume is designed for courses in Soviet political history diplomatic history comparative foreign policy and the mainstream of international relations **Diplomacy and Ideology** Teddy J. Uldricks, 1979 *Russian Foreign Policy* Jeffrey Mankoff, 2011-10-16 Now thoroughly updated this widely praised book provides a thoughtful and balanced examination of the development of Russian foreign policy since the end of the Cold War This edition also places developments of the past two decades into the broader sweep of Russian history Jeffrey Mankoff

argues that Russia's more assertive behavior since Vladimir Putin became president in 2000 has resulted from both a deep seated consensus among its elite about Russia's identity and interests as well as a favorable convergence of events including the persistence of high energy prices and the check on U S power resulting from the wars in Iraq and Afghanistan. Because these factors are the result of long term trends the author argues that there is little reason to expect that the election of Dmitry Medvedev will fundamentally alter Russian foreign policy behavior. Presenting an evenhanded treatment of controversial issues Mankoff analyzes Russia's interactions with major global actors including the United States the European Union the Commonwealth of Independent States and China. Despite Moscow's often harsh rhetoric and the deployment of Russian forces against Georgia in 2008 the author convincingly demonstrates that there is little reason to fear a return to a Cold War like standoff with the West. Instead he argues today's Russia is more interested in restoring what its leaders consider to be its rightful place among the world's major powers rather than in directly challenging the West. Thoroughly researched and knowledgeable this book will be invaluable for all readers interested in Russia. *Contemporary Issues in Soviet Foreign Policy* Fleron, This survey of writings on the debates about and events relating to Soviet foreign policy concentrates on the Gorbachev period. Changes in Soviet theory and foreign policy decision making are covered in the first section. Twelve articles examine Gorbachev's policy towards a number of different geographic regions and several more assess the permanence of Gorbachev's foreign policy changes. *Soviet Foreign Policy, 1930-33* J. Haslam, 1983-09

Imperial Russian Foreign Policy Hugh Ragsdale, V. N. Ponomarev, 1993-10-29 Imperial Russian Foreign Policy aims to demythologise a field hitherto dominated by suspicions of diabolical cunning inscrutable motives and international plots using unseen forces of the gigantic fear inspiring empire of the tsar. The contributors leading historians from both Russia and the West examine Imperial foreign policy from its origins to the October Revolution revealing a policy that as in other countries had a complex of motives commerce nationalism the interests of various social groups but an unusual origin coming almost exclusively from the entourage of the tsar. The work is based largely on original research in Soviet archives which only became possible after Soviet glasnost. *Perceptions and Behavior in Soviet Foreign Policy* Richard K. Herrmann, 2010-11-23 This book discerns Soviet leaders' views of the United States and sees them in relation to foreign policy statements and actions. Hermann first examines the subtle problem of analyzing perceptions and interpreting motives from the words and deeds of national leaders. He then turns to cases measuring the dominant U S hypotheses about the USSR against Soviet behavior in Central Europe the Middle East Africa and Asia as well as Soviet participation in the arms race. Finally he weighs his conclusions against a thematic study of speeches and publications by members of the Politburo. **The Conduct of Soviet Foreign Policy** Erik P. Hoffmann, Frederic J. Fleron, 1971 *Soviet Foreign Policy* Frederic J. Fleron, Erik P.
