Space, Geography, and Politics in the Early Roman Empire Claude Nicolet, 1991 Studies the effect of Rome's geographic worldview on its politics    **Travel, Geography, and Empire in Latin Poetry** Micah Young Myers, Erika Zimmermann Damer, 2021-09-29 This volume considers representations of space and movement in sources ranging from Roman comedy to late antique verse exploring how poetry in the Roman world is fundamentally shaped by its relationship to travel within the geography of Rome's far reaching empire The volume surveys Roman poetics of travel and geography in sources ranging from Plautus to Augustan poetry from the Flavians to Ausonius The chapters offer a range of approaches to the complex relationship between Latin poetry Roman identity imperialism and travel and geospatial narratives and the diachronic and generic evolutions of poetic descriptions of space and mobility In addition two chapters including the concluding one contextualize and respond to the volume's discussion of poetry by looking at ways in which Romans not only write and read poems about travel and geography but also make writing and reading part of the experience of traveling as demonstrated in their epigraphic practices The collection as a whole offers important insights into Roman poetics and into ancient notions of movement and geographical space Travel Geography and Empire in Latin Poetry will be of interest to specialists in Latin poetry ancient travel and Latin epigraphy as well as to those studying travel writing geography imperialism and mobility in other periods The chapters are written to be accessible to researchers graduate students and advanced undergraduates

**Matthew, Paul, and the Anthropology of Law** David A. Kaden, 2016-09-30 Drawing from Michel Foucault's understanding of power David A Kaden explores how relations of power are instrumental in forming law as an object of discourse in the Gospel of Matthew and in the Letters of Paul This is a comparative project in that the author examines the role that power relations play in generating discussions of law in the first century context and in several ethnographies from the field of the anthropology of law from Indonesia Mexico the Philippines and colonial era Hawaii Discussions of law proliferate in situations where the relations of power within social groups come into contact with social forces outside the group David A Kaden's interdisciplinary approach reframes how law is studied in Christian Origins scholarship especially Pauline and Matthean scholarship by focusing on what makes discourses on law possible For this he relies heavily on cross cultural ethnographic materials from legal anthropology    **Roman Empire** Sven Günther, 2025-05-19 The Roman Empire is the paradigmatic empire of world history Its rise stability and prosperity but also decline and fall has impressed and fascinated people around the world and throughout times The book written by eminent scholars of the field brings the features structures and powers of this empire to light and comprehensively presents the subject with a global perspective

Intelligence Activities in Ancient Rome Rose Mary Sheldon, 2004-12-16 Professor Sheldon uses the modern concept of the intelligence cycle to trace intelligence activities in Rome whether they were done by private citizens the government or the military Examining a broad range of activities the book looks at the many types of espionage tradecraft that have left their

traces in the ancient sources intelligence and counterintelligence gathering covert action clandestine operations the use of codes and ciphers Dispelling the myth that such activities are a modern invention Professor Sheldon explores how these ancient spy stories have modern echoes as well What is the role of an intelligence service in a free republic When do the security needs of the state outweigh the rights of the citizen If we cannot trust our own security services how safe can we be Although protected by the Praetorian Guard seventy five percent of Roman emperors died by assassination or under attack by pretenders to his throne Who was guarding the guardians For students of Rome and modern social studies too this will provide a fascinating read

**Materialising the Roman Empire** Jeremy Tanner, Andrew Gardner, 2024-03-19 Materialising the Roman Empire defines an innovative research agenda for Roman archaeology highlighting the diverse ways in which the Empire was made materially tangible in the lives of its inhabitants The volume explores how material culture was integral to the processes of imperialism both as the Empire grew and as it fragmented and in doing so provide up to date overviews of major topics in Roman archaeology Each chapter offers a critical overview of a major field within the archaeology of the Roman Empire The book's authors explore the distinctive contribution that archaeology and the study of material culture can make to our understanding of the key institutions and fields of activity in the Roman Empire The initial chapters address major technologies which at first glance appear to be mechanisms of integration across the Roman Empire roads writing and coinage The focus then shifts to analysis of key social structures oriented around material forms and activities found all over the Roman world such as trade urbanism slavery craft production and frontiers Finally the book extends to more abstract dimensions of the Roman world art empire religion and ideology in which the significant themes remain the dynamics of power and influence The whole builds towards a broad exploration of the nature of imperial power and the inter connections that stimulated new community identities and created new social divisions

**Frontiers of the Roman Empire** C. R. Whittaker, 1994 Whittaker begins by discussing the Romans ideological vision of geographic space demonstrating for example how an interest in precise boundaries of organized territories never included a desire to set limits on controls of unorganized space beyond these territories He then describes the role of frontiers in the expanding empire including an attempt to answer the question of why the frontiers stopped where they did He examines the economy and society of the frontiers Finally he discusses the pressure hostile outsiders placed on the frontiers and their eventual collapse
