Spaghetti From The Chandelier And Other Humorous Adventures Of A Ministers Family:

Spaghetti from the Chandelier Ruth Truman,2001-05 They were young and in love and called to serve the Lord And perhaps if Ruth and Lee Truman had even suspected what lay ahead they might have turned and fled but thank goodness they didn t Or we would have missed this warm and often hilarious look at life within the goldfish bowl of the ministry From their very first church appointment it became obvious what the Trumans would attract humorous and bizarre situations throughout their lives How else can they explain the Bali dancer at the church social Or the frozen chickens that spilled across the highway and nearly caused hypothermia Or the church that looked like a half buried septic tank Or the parishioner who served coffee from her hot water bottle

Becoming the Pastor's Wife Beth Allison Barr,2025-03-18

Provides a blistering critique of the narrowing options for female leadership in the evangelical church A powerful indictment of an unequal system Publishers Weekly As a pastor s wife for twenty five years Beth Allison Barr has lived with assumptions about what she should do and who she should be In Becoming the Pastor s Wife Barr draws on that experience and her academic expertise to trace the history of the role of the pastor s wife showing how it both helped and hurt women in conservative Protestant traditions While they gained an important leadership role it came at a deep cost losing independent church leadership opportunities that existed throughout most of church history and strengthening a gender hierarchy that prioritized male careers Barr examines the connection between the decline of female ordination and the rise of the role of pastor s wife in the evangelical church tracing its patterns in the larger history ancient medieval Reformation and modern of Christian women s leadership By expertly blending historical and personal narrative she equips pastors wives to better advocate for themselves while helping the church understand the origins of the role as well as the historical reality of ordained women
