Spain And The Abolition Of Slavery In Cuba 1817 1886:

Spain and the Abolition of Slavery in Cuba, 1817-1886 Arthur F. Corwin, 2014-10-23 This book explores the abolition of African slavery in Spanish Cuba from 1817 to 1886 from the first Anglo Spanish agreement to abolish the slave trade until the removal from Cuba of the last vestige of black servitude Making extensive use of heretofore untapped research sources from the Spanish archives the author has developed new perspectives on nineteenth century Spanish policy in Cuba He skillfully interrelates the problem of slavery with international politics with Cuban conservative and liberal movements and with political and economic developments in Spain itself Arthur Corwin finds that the study of this problem falls naturally into two phases the first of which 1817 1860 traces the gradual reduction of the African traffic to the Spanish Antilles and constitutes in effect a study in Anglo Spanish diplomacy He gives special attention here to the aggressive nature of British abolitionist diplomacy and the mounting but generally ineffective indignation resulting from Spanish failure to apply sanctions against the traffic as well as the increasing North American interest in the annexation of Cuba The first phase has for its principal theme the manner in which for decades Spain feigned compliance with agreements to end the slave trade while actually protecting slaveholding interests as the best means of holding Cuba The American Civil War which destroyed the greatest bulwark of black slavery in the New World marked the opening of a new phase 1860 1886 The author strongly emphasizes here such influences as the rise of the Creole reform movement in Cuba and Puerto Rico which reading the signs of the times gave the initial impulse to a Spanish abolitionist movement and contributed to closing the Cuban slave trade in 1866 the liberal revolution of 1868 in Spain and its promise of colonial reforms the outbreak of the great Creole rebellion in Cuba 1868 1878 and the abolitionist promises of the rebel chieftains the threat of American intervention and the abolitionist pressure of American diplomacy and the protests of the Spanish reactionaries in Spain and Cuba leading to further procrastination in Madrid The second phase has as its principal theme the shaping through all these intertwined factors of Spain's first measure of gradual emancipation the Moret Law of 1870 and all subsequent steps toward abolition
