**The Face in the Abyss** Abraham Merritt, 2021-01-18 Book Excerpt She crossed to the little knoll and picked up the spears She held one out to him the one that bore the emerald point This she said to remember Suarra No he thrust it back Go If the others saw that jewel never he knew would he be able to start them on the back trail if they could find it Starrett had seen it of course but he might be able to convince them that Starrett s story was only a drunken dream The girl studied him a quickened interest in her eyes She slipped the bracelets from her arms held them out to him with the three spears Will you take these and leave your comrades she asked Here are gold and gems They are treasure They are what you have been seeking Take them Take them and go leaving that man here Consent and I will show you a way out of this forbidden land Graydon hesitated The emerald alone was worth a fortune What loyalty did he owe the three      **Face in the Abyss**

**The Face of Water** Sarah Ruden,2017-03-28 A dazzling reconsideration of the original languages and texts of the Bible in both the Old and the New Testaments from the acclaimed scholar and translator of Classical literature The best translation of the Aeneid certainly the best of our time Ursula Le Guin The first translation since Dryden that can be read as a great English poem in itself Garry Wills The New York Review of Books and author of Paul Among the People Astonishing Superb Booklist starred review In The Face of Water Sarah Ruden brilliantly and elegantly explains and celebrates the Bible s writings Singling out the most famous passages such as the Genesis creation story the Ten Commandments the Lord s Prayer and the Beatitudes Ruden reexamines and retranslates from the Hebrew and Greek what has been obscured and misunderstood over time Making clear that she is not a Biblical scholar cleric theologian or philosopher Ruden a Quaker speaks plainly in this illuminating and inspiring book She writes that while the Bible has always mattered profoundly it is a book that in modern translations often lacks vitality and she sets out here to make it less a thing of paper and glue and ink and more a live and loving text Ruden writes of the early evolution literary beauty and transcendent ideals of the Hebrew Bible and the Greek New Testament exploring how the Jews came to establish the greatest most enduring book on earth as their regional strategic weakness found a paradoxical moral and spiritual strength through their writings and how the Christians inherited and adapted this remarkable literary tradition She writes as well about the crucial purposes of translation not only for availability of texts but also for accountability in public life and as a reflection of society s current concerns She shows that it is the original texts that most clearly reveal our cherished values both religious and secular unlike the standard English translations of the Bible that mask even the yearning for freedom from slavery The word redemption translated from Hebrew and Greek meaning mercy for the exploited and oppressed is more abstract than its original meaning to buy a person back from captivity or slavery or some other distress The Face of Water is as much a book about poetry music drama raw humor and passion as it is about the idealism of the Bible Ruden s book gives us an unprecedented nuanced understanding of what this extraordinary document was for its earliest readers and what it can still be for us today
