*Translating Picturebooks* Riitta Oittinen, Anne Ketola, Melissa Garavini, 2017-10-10 *Translating Picturebooks* examines the role of illustration in the translation process of picturebooks and how the word image interplay inherent in the medium can have an impact both on translation practice and the reading process itself. The book draws on a wide range of picturebooks published and translated in a number of languages to demonstrate the myriad ways in which information and meaning is conveyed in the translation of multimodal material and in turn the impact of these interactions on the readers experiences of these books. The volume also analyzes strategies translators employ in translating picturebooks including issues surrounding culturally specific references and visual and verbal gaps and features a chapter with excerpts from translators diaries written during the process. Highlighting the complex dynamics at work in the translation process of picturebooks and their implications for research on translation studies and multimodal material this book is an indispensable resource for students and researchers in translation studies multimodality and children s literature

## **Women in the Chinese Enlightenment**

Zheng Wang, 2023-11-15 Centering on five life stories by Chinese women activists born just after the turn of this century this first history of Chinese May Fourth feminism disrupts the Chinese Communist Party s master narrative of Chinese women s liberation reconfigures the history of the Chinese Enlightenment from a gender perspective and addresses the question of how feminism engendered social change cross culturally. In this multilayered book the first person narratives are complemented by a history of the discursive process and the author s sophisticated intertextual readings. Together the parts form a fascinating historical portrait of how educated Chinese men and women actively deployed and appropriated ideologies from the West in their pursuit of national salvation and self emancipation. As Wang demonstrates feminism was embraced by men as instrumental to China s modernity and by women as pointing to a new way of life. Centering on five life stories by Chinese women activists born just after the turn of this century this first history of Chinese May Fourth feminism disrupts the Chinese Communist Party s master narrative of Chinese women s liberation reconfigures the h
