Army,1908      *The Pattern 1908 Web Infantry Equipment* ,1913      The Pattern 1908 Web Infantry Equipment. War Office, 1913. [With Plates.]. Great Britain. Army,1913      **Regulations for the Equipment of the Army** Great Britain. War Office,1911      World War II US Army Combat Equipments Gordon L. Rottman,2016-02-25 A soldier's web gear is as important to his ability to live and fight on the battlefield as are his clothing and weapons In World War II the US Army issued equipment items that had originated in 1910 though modified and augmented in the 1920s and 1930s and again during the war itself as a result of combat experience This book describes and illustrates the great majority of the personal equipment provided for infantry riflemen GIs armed with other weapons and their ammunition bearers officers and medics In addition to the web gear itself it covers canteens mess kit and first aid items weapons related and other specialist items the long struggle to produce a practical backpack bivouac and shelter gear and the most commonly carried tools The text also explains the basics of materials colors markings nomenclature and weights for the guidance of collectors It is illustrated with wartime photos and color close ups and the wide ranging color plates specially prepared for this book offer more than 130 images      Fritz and Tommy Peter Doyle,Robin Schäfer,2015-10-05 It was a war that shaped the modern world fought on five continents claiming the lives of ten million people Two great nations met each other on the field of battle for the first time But were they so very different For the first time and drawing widely on archive material in the form of original letters and diaries Peter Doyle and Robin Sch fer bring together the two sides Fritz and Tommy to examine cultural and military nuances that have until now been left untouched their approaches to war their lives at the front their greatest fears and their hopes for the future The soldiers on both sides went to war with high ideals they experienced horror and misery but also comradeship Kameradschaft And with increasing alienation from the people at home they drew closer together the Hun transformed into good old Jerry by the war's end This unique collaboration is a refreshing yet touching examination of how little truly divided the men on either side of no man's land during the First World War      Stations of Units of the Regular Militia Yeomanry and Volunteer Forces Great Britain. War Office,1912      Special Bibliographic Series US Army Military History Research Collection,1978      **Remembering Tommy** Peter Doyle,Chris Foster,2013-10-01 The British soldier of the Great War has been depicted in many books Invariably a pen picture paints him as stoic joining the army in a wave of patriotic fervour and destined to serve four years on the Western Front in some of the most costly battles in history Yet often the picture is difficult to resolve for the reader What was it like in the trenches How did the soldier live where did he sleep What was it like to go over the top and when he did what did he carry with him For many the idea of trench life is hazy and usually involves drowning in mud in as one writer put it the pitiless misery of Passchendaele Recently

military historians have presented an alternative picture a picture in which the hopelessness of the First World War is given new life and purpose Remembering Tommy pays tribute to the real life British soldier of the Great War from the moment of joining up to their final homecoming Using original artefacts in historic settings the men and their words are brought to life The uniforms they wore the equipment they carried the letters they wrote home their personal possessions mementos and photographs come together in a powerful tribute to the indomitable Tommy Each one of these precious artefacts bears witness to the men who left them behind allowing us to almost reach out and touch history *God Save the Queen* US Army Military History Institute, Lawrence James-Alexander Lentz, 1979 *The Monthly Army List* Great Britain. Army, 1921

**The Platoon** Joseph Johns Steward, 2011-12-13 John Joseph Steward fought in the Great War from the Battle of the Somme to the final offensives of 1918 and he was an acute unflinching observer of the conflict he took part in of life and death on the Western Front He was a writer too He recorded his experiences in accurate detail and later in life he wrote a graphic fictionalized account of his wartime career the story of his war his comrades and his platoon His narrative is published here for the first time edited annotated and with an introduction by Andrew Robertshaw and Steve Roberts Their research into Stewards story is a fascinating example of how such work can be used to give a vivid insight into the experiences of a Great War ancestor About the Editors Andrew Robertshaw is Curator Manager of The Royal Logistic Corps Museum in Deepcut Surrey For the past twelve years he has been coordinating a group conducting an archaeological dig of British trenches and other sites on the Somme He frequently appears on television as a commentator on battlefield archaeology and the soldier in history His publications include *A Soldiers Life The Somme 1st July 1916 Digging the Trenches* with David Kenyon and *Ghosts of the Somme* with Alastair Fraser and Steve Roberts Steve Roberts is a retired police officer and an ex regular soldier He has a keen interest in military history and as a result of his grandfathers service a particular passion for the Great War He specializes in researching the individuals who served during the period and has worked in this field on a number of television projects He is a founder member of the Great War archaeology group No Mans Land and also a battlefield guide regularly taking groups to France and Belgium He has previously co authored *Ghosts on the Somme* with Alastair Fraser and Andrew Robertshaw **Field engineers drill.
