The Page Turner:

The Page Turner, 2006 *Homage to Czerny* Gert Jonke, 2008 This bizarre lyrical romp of a novel begins with two wealthy siblings preparing their estate for their annual garden party to which they've invited several artists and above all many of the people variously involved in the further development of intellectual life The first sign that this year's party will be a little different is that the siblings have had paintings made of every inch of their garden and are hanging the paintings in place of the garden itself We soon learn that this is just the beginning the siblings have decreed that this year's party will be an exact repetition of the party they held last year Everyone will say and do exactly the same things whether they'd like to or not

The Page Turner David Leavitt, 2015-03-05 Moving and thought provoking Literary Review At eighteen Paul Porterfield aspires to play the piano at the world's great concert halls So far the closest he has come has been to turn pages of sheet music for his idol the dashing temperamental Richard Kennington a former piano prodigy on the cusp of middle age Months later while on holiday with his mother in Italy Paul encounters Richard a second time Their earlier attraction develops into an intense affair As the innocence of first love becomes entangled with the quest for a more enduring happiness Paul comes to realise that he cannot be a page turner all his life and that he has to confront his ambitions With artful storytelling shrewd perception and arch humour THE PAGE TURNER testifies to the bittersweet truths of strained relationships and the resiliency of the human heart

mainstream while her sister Jess is a powerful social media influencer whose stylish reviews can make or break a novel. Hiding her own romance manuscript from her disapproving parents, Emma finds inspiration at the family cottage among the fluff they despise: the juicy summer romances that belonged to her late grandmother. But a chance discovery unearthed from her Gigi's belongings reveals a secret that has the power to ruin her parents' business and destroy their reputation in the industry: a secret that has already fallen into the hands of an unscrupulous publishing insider with a grudge to settle. Now Emma must decide as much as she's dreamed of the day when her parents are forced to confront their own egos: can she really just sit back and watch *The Mighty Pages* be exposed and their legacy destroyed? From the wealthy enclaves of the Hamptons to the sparkling shores of Lake Michigan, *The Page Turner* is a delectable glimpse inside the world of publishing and Viola Shipman's most glittering achievement yet.
