The Painter A Western Odyssey:

The Painter Rhett Stephens James,1987-03-01

The Art of Reception Jacobus Bracker,Ann-Kathrin

Hubrich,2021-03-05 This book deals with processes of reception in visual arts Images in the broadest sense from different cultures and times are examined The volume focuses on two key interpretations of reception On the one hand reception is understood as a concept of repetition and revision spanning different cultures and time periods On the other hand reception is also seen as the process of perceiving images Both ways of understanding can be described by the metaphor of migration of images in the first case images migrate from one medium to another in the second case they migrate from the artefact into the human body The contributions to this volume cover a variety of approaches coming from different disciplines such as Ancient Oriental philology English and American studies classical studies classical archaeology communication studies cultural studies art history aesthetics literature media studies philosophy journalism Romance studies sociology Near Eastern archaeology prehistory and classical studies

Halloween and Other Festivals of Death and Life Jack

Santino,2025-03-14 Why do we celebrate Halloween No one gets the day off and unlike all other major holidays it has no religious or governmental affiliation A survivor of our pre Christian agrarian roots it has become one of the most popular and widely celebrated festivals on the contemporary American calendar Jack Santino has put together the first collection of essays to examine the evolution of Halloween from its Celtic origins through its adaptation into modern culture Using a wide variety of perspectives and approaches the thirteen essayists examine customs communities and material culture to reveal how Halloween has manifested itself throughout all aspects of our society to become not just a marginal survivor of a dying tradition but a thriving contemporary post industrial festival Its steadily increasing popularity despite overcommercialization and criticism is attributed to its powerful symbolism that employs both pre Christian images and concepts from popular culture to appeal to groups of all ages orientations and backgrounds However the essays in this volume also suggest that there is something ironic and unsettling about the immense popularity of a holiday whose main images are of death evil and the grotesque Halloween and other Festivals of Death and Life is a unique contribution that questions our concepts of religiosity and spirituality while contributing to our understanding of Halloween as a rich and diverse reflection of our society s past present and future identity

Chronicling the West for

Harper's Claudine Chalmers,2013-10-08 The opening of the West after the Civil War drew a flood of Americans and

immigrants to the frontier Among the liveliest records of the westering of the 1870s is the series of prints collected for the first time in this book Chronicling the West for Harper s showcases 100 illustrations made for the weekly magazine by French artists Paul Frenzeny and Jules Tavernier on a cross country assignment in 1873 and 1874 The pair Frenzeny those captions are reproduced here Frenzeny and Tavernier documented the frontier as it evolved They depicted the hazards of travel and settlement from fires to destitution and presented disconcerting subject matter such as the Sioux Sun Dance in

relentless detail Their skill has made some of their drawings among them The Strike in the Coal Mine classics of American culture With pencil and woodblock Chalmers shows these intrepid Frenchmen shaped public perceptions of the West for decades to come The Art Journal ,1884 Vol for 1867 includes Illustrated catalogue of the Paris Universal Exhibition
