sculpture opens up new levels of understanding Second McCollough takes full account of the social economic and political context in which the parables were told with often surprising and challenging results For example the Good Samaritan and the Prodigal Son parables have been used in endless ways to refer to compassionate care of the stranger and to forgiveness of wayward children But are these the meanings Jesus intended Not necessarily says McCollough This illustrated book and the accompanying CD of images for projection will be an invaluable resource to anyone who wants to explore the ethical and social justice issues contained in the parables of Jesus in a unique way that honours the contribution of the arts **The Parables of Jesus** Herman Hendrickx,1986 *The Parables of Jesus* Robert Walter Funk,Bernard Brandon Scott,James R.
