The Parameters Of Postmodernism:

The Parameters of Postmodernism Nicholas Zurbrugg,2003-09-02 This ground breaking work offers a challenging and positive view of postmodern culture It draws on the author s extensive interviews with a number of leading postmodern artists writers and performers including Jean Baudrillard Samuel Beckett John Cage Phillip Glass The Parameters of Postmodernism focuses on both the prevailing negative theories of postmodernism and the more positive aspects of postmodern theory and practice The negative aspect is exemplified by the work of writers like Brecht Beckett Barthes and Baudrillard who emphasise the death of artistic innovation and the lack of a permanent reality Zurbrugg highlights the contradictions in the arguments of these writers and examines the later works in which they qualify their earlier more infamous statements The positive aspect is characterised by artists such as Cage Glass and Monk who interweave the new postmodern media with confidence and invention and Eco Grass and Wolf who revive mythological and folkloric traditions The Parameters of Postmodernism argues that in each case high tech or revivalist postmodern creativity culminates in a highly positive synthesis of past present and futuristic materials

Postmodernism and the Social Sciences Joe Doherty,Elspeth Graham,Mo Malek,2016-07-27 The social sciences are still predominantly modernist disciplines and as such products of the Enlightenment Recent challenges to Enlightenment thinking thus carry with them the potential or threat to transform the social sciences radically Postmodernism and the Social Sciences examines the nature and potential of this postmodernist challenge in each of the major social sciences Starting with the practices of particular disciplines and proceeding to matters of shared concern the essays provide an accessible discussion of the contemporary impact of postmodernism on social scientific thought

Postmodern Philosophy and Law Douglas E. Litowitz,1997 The author presents a two tiered analysis that views postmodern legal thought as both a collective intellectual movement and as the work of particular theorists notably Friedrich Nietzsche Michel Foucault Jacques Derrida Francois Lyotard and Richard Rorty He concludes that even though postmodern thought does not give rise to a normative theory of right that can be used as a framework for deciding cases it can focus attention on genealogy and discourse and can empower those who have been denied a voice in the legal system Annotation copyrighted by Book News Inc Portland OR Beginning Postmodernism Tim Woods,2009 Postmodernism became the buzzword of contemporary society in the 1990s Yet even now it still remains confusing and baffling in its variety of definitions contexts and associations Beginning Postmodernism aims to offer clear accessible and step by step introductions to postmodernism across a wide range of subjects It encourages readers to explore how the debates about postmodernism have emerged from basic philosophical and cultural ideas and to develop comparative connections and ideas from one area to another With its emphasis firmly on postmodernism in practice the book contains questions designed to help readers understand and reflect upon a variety of positions within the following areas of contemporary culture philosophy and cultural theory architecture and concepts of space visual art sculpture and material culture popular culture and music film video and television and the social sciences The Influence of Post-modernism on Contemporary Writing David Punter,2005 This book treats postmodernism in its own terms regarding it as a phenomenon which both represents a contemporary moment and also looks toward its own transcendence passing away disappearance The book s critical range extends from the Gothic through to the most recent harbingers of modernity and describes a trajectory that will take account of recent fiction poetry and point readers to the development that will textualize into the 21st century The Gamefulness of American Postmodernism Steven D.
