## **The Parrot Who Owns Me:**

**The Parrot Who Owns Me** Joanna Burger, 2001-07-03 Birds are my passion says Joanna Burger but parrots are my weakness Fifteen years ago when she adopted a neglected orphaned thirty six year old parrot named Tiko she entered on of the most complex relationships of her life Sullen and hostile when he entered Dr Burger's home Tiko gradually warmed as she carefully persuaded him of her good intentions Eventually he courted her building nests inside household furniture during mating season and trying to coax her into them He nursed her vigilantly through a bout with Lyme disease regularly preening each strand of hair on the pillow as she slept For a while he even fought her husband for her attentions but eventually theirs became a relationship of deep mutual trust *The Parrot Who Owns Me* is also the story of the science of birds and of parrots in particular America's third most commonly owned pet after cats and dogs Woven into the narrative are insights and fascinating revelations from Joanna Burger's work not only about parrots but about what it means to be human By turns delightful hilarious touching and enlightening *The Parrot Who Owns Me* introduces us to an unforgettable bird and his human companion whose friendships tell us much about ourselves *Pretty Poll, a parrot's own history, ed. by the author of 'The Amyotts' home'. Poll parrot, 1854*
