The Partisan:

The Partisan Counter-Archive Gal Kirn, 2020-07-20 Mere decades after the dissolution of Yugoslavia the promise of European democracy seems to be out of joint What has become of the once shared memory of victory over fascism Historical revisionism and nationalist propaganda in the post Yugoslav context have tried to eradicate the legacy of partisan and socialist struggles while Yugonostalgia commodifies the partisan socialist past It is against these dominant archives that this book launches the partisan counter archive highlighting the symbolic power of artistic works that echo and envision partisan legacy and rupture It comprises a body of works that emerged either during the people s liberation struggle or in later socialist periods tracing a counter archival surplus and revolutionary remainder that invents alternative protocols of remembrance and commemoration The book covers rich counter archival material from partisan poems graphic works and photography to monuments and films and ends by describing the recent revisionist undoing of the partisan past It contributes to the Yugoslav politico aesthetical history of the oppressed as an alternative journey to the partisan past that retrieves revolutionary resources from the past for the present

Hitler's War Against the Partisans During Operation

Barbarossa Antonio J Muñoz, 2025-04-28 From the start of the war on the Eastern Front Hitler s Ostheer his Eastern Army would wage a vernichtungskrieg or war of annihilation in the East Never before had such a wide reaching campaign been fought Preparations for Germany s invasion of the Soviet Union had included the drawing up of plans and allocation of resources to secure the newly conquered territories These plans included the premeditated murder of many innocent civilians Adolf Hitler said as much when in July 1941 shortly after Stalin ordered the formation of partisans he told his Army High Command This partisan war has some advantage for us it enables us to eradicate everyone who opposes us Anticipating resistance to Nazi occupation and rule Hitler instructed the Ostheer to act ruthlessly not only on the front lines but in the rear areas as well When in July 1941 Stalin ordered partisan forces to be created the stage was therefore set for the largest and most savage conflict ever waged between a modern military force and a guerrilla army The scale of the partisan and anti partisan war on the Eastern Front was as costly and bitterly fought as the struggle on the front lines themselves Employing thousands of primary source documents and scouring eight separate state archives in six countries over a twenty two year period Antonio J Muñoz has produced what can be described as a definitive account of this part of the war behind the front lines in the East during the invasion of the Soviet Union From the very beginning the Nazis fought this war ruthlessly by eliminating not only actual guerrillas but a good portion of the civilian population Employing dozens of wartime anti partisan operational instructions plus newly created detailed battle maps and full orders of battle Dr Muñoz brings this little known conflict behind the lines into focus for the very first time The war behind the lines is detailed by district This includes the Reichskommissariat Ostland region which comprised the Generalbezirk Estland Estonia Generalbezirk Lettland Latvia Generalbezirk Litauen Lithuania Generalbezirk Bialystok Northeastern Poland and Generalbezirk Wei ruthenien Belarus The

book also covers the guerrilla and anti partisan war in the Reichskommissariat Ukraine Ukraine region as well as in north central and southern Russia For Russia proper anti partisan operations against the guerrillas are broken down by army group area Not only are the operations described but the reader will also learn about guerrilla attacks and how the entire partisan movement grew from year to year and region to region Hitler s War Against the Partisans During Operation Barbarossa documents the whole of the beginning of the savage partisan war between June 1941 and the spring of 1942 Never before has every major and some minor anti guerrilla operation been described in such detail *The Battle for Leningrad* David M.
