Wayne House, 2019-02-19 With all of the different religions sects denominations and belief systems out there it can be difficult to separate the facts from mere opinion especially if one is relying solely on online sources which may or may not be vetted and which often have an ideological or political slant to them How can we truly understand if we cannot even be sure we are getting the facts straight In this comprehensive resource more than 75 evangelical scholars offer a thoroughly researched guide to Christianity other world religions and alternative religious views including entries on movements theological terms and major historical figures Perfect for pastors students and anyone who wants ready access to information on today's religious landscape **The Pearl of Great Price** H. Donl Peterson, Charles D. Tate, 1989 *Mormonism and the Nature of God* Kurt Widmer, 2012-10-12 Until around the latter part of the 20th century Mormonism has been presented in scholarly reconstructions as a religion that has not changed significantly from its beginnings whose presently held beliefs existed as a central core of doctrine at the church's founding in 1830 The author argues instead that the development of Mormonism has been primarily due to external events popular cultural philosophical religious and scientific and that these influences have led to the emergence of several streams of thought that are actually in opposition to the early beliefs of the church Mormonism can be seen as a reflection of the development of American society and culture from the early 1800s to the present The major aim of this work is to establish a proper chronology for the development of Mormon thought specifically in its concept of the nature of God The Latter-Day Saints' Millennial Star Parley Parker Pratt, 1898 *The Latter-Day Saints' Millennial Star*, 1898 *Revelations from Revelation* Patrick M. Jones, 2008-03 Like a jewel box filled with bright jewels and rare coins this book is a collection of the clearest views and brightest nuggets of light from many Second Advent writers concerning the precious prophecies of the Revelation of Jesus Christ Inside you will find the most amazing thought revelations the most beautiful jewels of truth you would never have thought of before Listen as the harmonious voices of many Second Advent authors make clear Revelation's fascinating lines of prophecies Follow the footsteps of God's leading in the past present and future If there was ever a book that should be and is studied today it is the book of Revelation In fact God has pronounced a blessing on those who hear read and keep the words of Revelation May this book be a springboard to still greater light for you *The Gospel* Brigham Henry Roberts, 1893 *2030 - The Sixth Thousandth Year* Paul R. Finch, 2023-11-10 From the opening chapter we read It is time to rewrite ancient history The chronology of ancient history as presented by modern secular scholarship is totally and emphatically bogus The entire subject of biblical chronology as well as all ancient world chronology is herein challenged as never before Now for the first time Mr Finch corrects the errors of past chronological studies With this important research it is now possible to finally create a chronology of the ancient world that at long last fits all the pieces perfectly together This

timely study puts biblical chronology together in a new light and is conclusively a breakthrough investigation that cannot be ignored This exciting research is a must read for all biblical students henceforward The Latter-Day Saints' Millennial Star ,1921 The Truth about God ,1911 *We Believe* Rulon T.
