## **Social Judgment:**

*Social Judgment and Intergroup Relations* Donald Granberg,Gian Sarup,2012-12-06 Social Judgment and Intergroup Relations Essays in Honor of Muzafer Sherif is a stimulating collection which paints a crisp and fascinating picture of social psychology during its decades of growth into a mature science With his important contributions in the study of social norms attitudes self concept group relations and other areas Muzafer Sherif was a key figure in the discipline Each essay in this book illustrates the lasting influence of Muzafer Sherif s seminal work in social psychology *Social Judgment* J. Richard Eiser,1991 *The Construction of Social Judgments* Leonard L. Martin,Abraham Tesser,2013-05-13 Researchers have been addressing social judgment from a cognitive perspective for more than 15 years Within recent years however it has become increasingly clear that many of the models and assumptions initially adopted are in need of revision The chapters in this volume point out where the original models and assumptions have fallen short and suggest directions for future research and theorizing The contributors address issues related to judgment memory affect attitudes and self perception In addition many present theoretical frameworks within which these different issues can be integrated As such this volume represents the transition from one era of social cognition research to the next *Social Judgement Theory* Michael E. Doherty,1996 This special issue of Thinking and Reasoning is devoted to social judgement theory SJT which has its origins in Egon Brunswik s probabilistic functionalism The first paper discusses the history and theory of SJT and explores Hammond s distinction between coherence and correspondence criteria The next paper presents the major methodological approaches of SJT with a focus on the Lens Model Four applications follow including an exploration of the medical applications of SJT *Handbook of Theories of Aging* Merril Silverstein,Vern L. Bengtson,Vern L. Bengtson, PhD,Norella Putney,Daphna Gans,2008-10-27 The field of gerontology has often been criticized for being data rich but theory poor The editors of this book address this issue by stressing the importance of theory in gerontology While the previous edition focused on multidisciplinary approaches to aging theory this new edition provides cross disciplinary integrative explanations of aging theory The contributors of this text have reached beyond traditional disciplinary boundaries to partner with researchers in adjacent fields in studying aging and age related phenomena This edition of the Handbook consists of 39 chapters written by 67 internationally recognized experts in the field of aging It is organized in seven sections reflecting the major theoretical developments in gerontology over the past 10 years Special Features Comprehensive coverage of aging theory focusing on the biological psychological and social aspects of aging A section dedicated to discussing how aging theory informs public policy A concluding chapter summarizing the major themes of aging and offering predictions about the future of theory development Required reading for graduate students and post doctoral fellows this textbook represents the current status of theoretical development in the study of aging *Attitude and Attitude Change* Carolyn W. Sherif,Muzafer Sherif,Roger Ellis Nebergall,1965 In this book the social judgment involvement approach to the study of attitude and attitude change are presented The book outlines a systematic

framework substantiated by a series of new research findings many of them published previously The approach has shaped itself gradually during the last thirty years as authors have proceeded cautiously and at times slowly At every step the authors took stock of material from the research of others as well as theirs

**The Self in Social Judgment** Mark D. Alicke,David A. Dunning,Joachim Krueger,2013-05-13 The volume begins with a historical overview of the self in social judgment and outlines the major issues Subsequent chapters all written by leading experts in their respective areas identify and elaborate four major themes regarding the self in social judgment the role of the self as an information source for evaluating others or what has been called social projection the assumption of personal superiority as reflected in the pervasive tendency for people to view their characteristics more favorably than those of others the role of the self as a comparison standard from or toward which other people's behaviors and attributes are assimilated or contrasted the relative weight people place on the individual and collective selves in defining their attributes and comparing them to those of other people
