**Dennis Denisoff, Talia Schaffer**

## **The Other Victorians A Study Of Sexuality And Pornography In Mid Nineteenth Century England:**

**The Other Victorians** ,2008-09-01 Taking as his point of departure the authors the audience and the texts of Victorian writings on sex in general and of Victorian pornography in particular Steven Marcus offers a startling and revolutionary perspective on the underside of Victorian culture The subjects dealt with in The Other Victorians are not only those to have been shocking in the Victorian period The way these subjects were regarded and the way our notions of the Victorians continue to change as the efforts of contemporary scholarship restore them to their full historical dimensions are matters today of some surprise and wonder With the publication of The Other Victorians understanding of this period took a giant stride forward Most of the writers and writings discussed by Marcus belong to Victorian sub literature rather than to literature proper in this way the work remains connected to a consideration of the exotic sub literature A brilliantly written book in its own right this work transformed the study of the Victorian period as did no other **The Other Victorians**

Steven Marcus,1964 Taking as his point of departure the authors the audience and the texts of Victorian writings on sex in general and of Victorian pornography in particular Steven Marcus offers a startling and revolutionary perspective on the underside of Victorian culture The subjects dealt with in The Other Victorians are not only those to have been shocking in the Victorian period The way these subjects were regarded and the way our notions of the Victorians continue to change as the efforts of contemporary scholarship restore them to their full historical dimensions are matters today of some surprise and wonder With the publication of The Other Victorians understanding of this period took a giant stride forward Most of the writers and writings discussed by Marcus belong to Victorian sub literature rather than to literature proper in this way the work remains connected to a consideration of the exotic sub literature A brilliantly written book in its own right this work transformed the study of the Victorian period as did no other **The Other Victorians** Steven Marcus (Rapporteur),1975

**THE OTHER VICTORIANS** STEVEN MARCUS,1966 **The Other Victorians** Steven Marcus,2009 **Sex, Politics and Society** ,2014-05-22 A pioneering study which has become an established classic in its field Sex Politics and Society provides a lucid and comprehensive analysis of the transformations of British sexual life from 1800 to the present These changes are firmly located in the wider context of social change from industrialization and the experience of Empire through the establishment of the welfare state to the rise of new social movements such as feminism and gay liberation and new forms of social conservatism Now fully revised and updated and with a new chapter bringing the story right up to date this new edition considers the transformation of the sexual world through globalization and the internet the changing impact of the AIDS pandemic over the last thirty years the influence of new currents in social and cultural theory on the study of sexuality the gradual depoliticization and mainstreaming of sexuality within historical study Combining rich empirical detail with innovative theoretical insights Sex Politics and Society remains at the cutting edge of the subject and this third edition will inspire and provoke a whole new generation of readers in history sociology social policy and the study of sexuality

*The Routledge Companion to Victorian Literature* Dennis Denisoff, Talia Schaffer, 2019-11-11 The Routledge Companion to Victorian Literature offers 45 chapters by leading international scholars working with the most dynamic and influential political cultural and theoretical issues addressing Victorian literature today Scholars and students will find this collection both useful and inspiring Rigorously engaged with current scholarship that is both historically sensitive and theoretically informed the Routledge Companion places the genres of the novel poetry and drama and issues of gender social class and race in conversation with subjects like ecology colonialism the Gothic digital humanities sexualities disability material culture and animal studies This guide is aimed at scholars who want to know the most significant critical approaches in Victorian studies often written by the very scholars who helped found those fields It addresses major theoretical movements such as narrative theory formalism historicism and economic theory as well as Victorian models of subjects such as anthropology cognitive science and religion With its lists of key works rich cross referencing extensive bibliographies and explications of scholarly trajectories the book is a crucial resource for graduate students and advanced undergraduates while offering invaluable support to more seasoned scholars

*The Routledge History of Sex and the Body* Sarah Toulalan, Kate Fisher, 2013 The Routledge History of Sex and the Body provides an overview of the main themes surrounding the history of sexuality from 1500 to the present day The history of sex and the body is an expanding field in which vibrant debate on for instance the history of homosexuality is developing This book examines the current scholarship and looks towards future directions across the field The volume is divided into fourteen thematic chapters which are split into two chronological sections 1500 1750 and 1750 to present day Focusing on the history of sexuality and the body in the West but also interactions with a broader globe these thematic chapters survey the major areas of debate and discussion Covering themes such as science identity the gaze courtship reproduction sexual violence and the importance of race the volume offers a comprehensive view of the history of sex and the body The book concludes with an afterword in which the reader is invited to consider some of the tensions problems and areas deserving further scrutiny Including contributors renowned in their field of expertise this ground breaking collection is essential reading for all those interested in the history of sexuality and the body

Prostitution and Victorian Society Judith R. Walkowitz, 1982-10-29 A study of alliances between prostitutes and feminists and their clashes with medical authorities and police

The Routledge Handbook of Victorian Scandals in Literature and Culture Brenda Ayres, Sarah E. Maier, 2022-12-01 The Routledge Handbook of Victorian Scandals in Literature and Culture exposes explores and examines what Victorians once considered flagrant breaches of decorum Infringements that were fantasized through artforms or were actually committed exceeded entertaining parlor gossip once in print they were condemned as socially contaminative but were also consumed as delightfully sensational Written by scholars in diverse disciplines this volume Demonstrates that spreading scandals seemed to have been one of the most entertaining sources of activities but were also normative efforts made by the Victorians to ensure conformity of decorum Provides a broad spectrum

of infractions that were considered scandalous to the Victorians Identifies Victorian transgressions that made the news and that may still shock modern readers Covers a gamut of moral infractions and transgressions either practiced rumored or fantasized in art forms This handbook is an invaluable resource about Victorian literature art and culture which challenges its readers to ponder perplexing questions about how and why some scandals were perpetrated and propagated in the nineteenth century while others were not and what the controversies reveal about the human condition that persists beyond Victoria s reign of propriety

**Neo-Victorian Lesbians on Screen** Sarah E. Maier,Rachel M. Friars,2025-09-09 In *Neo Victorian Lesbians on Screen* Maier and Friars argue that the on screen portrayal of lesbians situated in the long nineteenth century across various countries is at the very least a dual task the imperative project of revoicing lesbian silence and female companionship is complicated by the lack of and or complex representation of such women in the past The adaptations with varying degrees of success carefully manipulate the gaze of the viewer to illustrate both how crucial the act of looking proves to be for lesbian attachment in these films and how the viewer s own gaze changes the way the lesbian is represented Maier and Friars consider the adaptations awareness of the audience and the ways in which the films implicitly acknowledge the stakes behind bringing the lesbian to life as it were in visual media Because screen adaptations disrupt historical distance by literally picturing Victorian subjects via a medium they did not have film adaptations of novels and biofictions and original screenplays are challenged by the lesbian subject s vivid presence on screen The lesbian is no longer a contained neo Victorian presence in the othered nineteenth century but her very existence on screen signals her effervescent modernity which filmmakers alternately embrace or reject

[The Palgrave Encyclopedia of Sexuality Education](#) ,2024-12-23 This Encyclopedia provides a comprehensive map of the field of sexuality education It offers an entry point for those interested in this topic providing a robust summary of issues and directing them to its best scholarship Comprehensive in scope it covers diverse global locations to highlight the significance of context when defining sexuality education The rapid development and increase in accessibility of digital technologies which has broadened sexuality education to include digital and media platforms is also reflected

**Sexuality and Sexual Behavior** Nancy F. Cott,1993 Part of a fully indexed 20 volume collection which gathers together significant research contributions on the social religious and political history of women in the United States from colonial times to the 1990s

**Victorian West** Clarence Robert Haywood,1991 In this fascinating social history Haywood unravels the web of values ideas and philosophies that tied East to West *Journal of American History*

**A Sociology of Sex and Sexuality** Gail Hawkes,1996 This book offers an historical sociological analysis of ideas about expressions of sexual desire combining both primary and secondary historical and theoretical material with original research and popular imagery in the contemporary context

*Proceedings from the Eighth Conference of English, American and Canadian Studies* Jan Chovanec,2005
