The Painted Witch How Western Artists Have Viewed The Sexuality Of Women:

The Painted Witch Edwin B. Mullins,1985-01-01 **Reader's Guide to Women's Studies** Eleanor Amico,1998-03-20

The Reader's Guide to Women's Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women's studies. Some 200 scholars have contributed to the project which adopts a multi-layered approach allowing for comprehensive treatment of its subject matter. Entries range from very broad themes such as Health General Works to entries on specific individuals or more focused topics such as Doctors **The Less Noble Sex** M.

Jeanne Peterson,1989-05-22 Physically frail badly educated girls brought up to lead useless lives as idle gentlewomen married to dominant husbands and relegated to separate spheres of life these phrases have often been used to describe Victorian upper middle class women. M. Jeanne Peterson rejects such formulations and the received wisdom they embody in favor of a careful examination of Victorian ladies and their lives. Focusing on a network of urban professional families over three generations this book examines the scope and quality of gentlewomen's education their physical lives their relationship to money their experience of family illness and death and their relationships to men brothers and friends as well as fathers and husbands. Peterson also examines the prominent place of work in the lives of these leisured Victorian ladies both single and married. Far from idle the mothers wives and daughters of Victorian clergymen doctors lawyers university dons and others were accomplished and productive members of society who made substantial public and private contributions to virtually every sphere of Victorian life.

Dance, Sex, and Gender Judith Lynne Hanna,1988-05-15 Ambitious in its scope and interdisciplinary in its purview. Without doubt future researchers will want to refer to Hanna's study not simply for its rich bibliographical sources but also for suggestions as to how to proceed with their own work. Dance Sex and Gender will initiate a discussion that should propel a more methodologically informed study of dance and gender. Randy Martin *Journal of the History of Sexuality* The Painted Witch Edwin Mullins,1985 *The Emblem in Renaissance and Baroque Europe: Tradition and Variety* Alison Adams,Anthony J. Harper,2023-11-27

The volume is a cross section of contributions to the Glasgow International Emblem Conference 1990 and demonstrates the range of research currently under way into the emblem tradition in the Renaissance and Baroque periods and the variety of its development across the centuries in many European countries. The seventeen papers are arranged here in broad national and thematic groupings showing the emblem tradition in France Italy the Low Countries Germany Britain within the field of alchemy and extending into wider European traditions. The volume is generously illustrated and an index is provided for the orientation of the reader. An impression of the richness of the European emblem tradition is given for the general reader whilst the specialist is provided with a comprehensive insight into the many and varied strands of current emblem research and the diversity of approach adopted by scholars internationally.

Images of Older People in Western Art and Society Herbert C. Covey,1991-03-30 How older people have been perceived during various periods of history from the Middle Ages to the 19th century is the focus of

this heavily illustrated study of the elderly in Western society Herbert Covey presents the reader with a wide range of portrayals of the elderly in both art and literature and goes on to analyze in detail the images and symbols of aging sexuality family and death found in these depictions His analyses of the works reflect a variety of disciplines including fine arts gerontology history sociology psychology and literature This book increases our consciousness of images of older people in Western culture by debunking common images and providing background information on how current images and perceptions have developed Images of Older People in Western Art and Society illustrates how society has both defined and portrayed advanced age in Western painting drawing literature and drama First images of aging are presented Then recognizable symbols that have been used throughout history as metaphors for characteristics of aging are shown Because the elderly are often closely involved with family one chapter is devoted to images of the elderly within the family structure Current art often shows the elderly as sexless but that wasn't always so Today death is frequently associated with old age although throughout history death has been associated with all ages Social historians gerontological practitioners and sociologists will find a great deal to study in this visual history The book is illustrated with 41 black and white reproductions of paintings and drawings Encyclopedia of Sex and Gender Fedwa Malti-Douglas, 2007 Addresses issues of sex and gender at the personal and the social level examines issues of identity status class ethnicity race and nation of sexuality and the body of social institutions and the structures of representation Topics include changing conceptions of the feminine the family and masculinity religion morality cultural images medical practice public health economy and society and many more

Langer, 1993 This annotated bibliography is devoted exclusively to writings on feminist art criticism theory and culture Langer lists and summarizes more than 1000 works books pamphlets articles periodicals exhibition catalogues reviews newspapers unpublished manuscripts and alternative publications Although emphasis is on groundbreaking perspectives that have emerged in the US and Britain during the last 25 years the bibliography also covers critical work published during the last century including a number of relevant European works

Woman Created and Destroyed Carolyn Haynes-Siqueiros, 1989 **The Less Noble Sex** Nancy Tuana, 1993 This book looks at five major beliefs about woman's nature generally accepted by Western philosophers theologians and scientists from the classical period to the nineteenth century These are that woman is less perfect than man woman possesses inferior rational capacities woman has a defective moral sense man is the primary creative force and that woman is in need of control

In Full Flower Lois W. Banner, 1992 And we see the emergence that followed of the idealized domesticated and sentimentalized nuclear family centered around the mother and the concurrent vilification or mockery of the older unmarried woman which continues to the present Banner provides new perspective on such subjects as goddess young god stories in ancient religions witchcraft menopause changes in male and female dress the rise of the grandmother as a social type and

affectionate and erotic relationships through history particularly between older women and younger men She contemplates the mature women portrayed in high and popular art from Penelope in the Odyssey and the Wife of Bath in The Canterbury Tales to Norma Desmond in Sunset Boulevard She writes about attempts over the centuries to mute the voices of older women and about those who could not be silenced from Sappho to Elizabeth I from the women of France s eighteenth century salons to nineteenth century reformers and twentieth century writers **Encyclopedia of Religion** ,2005

Choice ,2000 Women Artists News ,1995 **The Stone and the Scorpion** Judith Mitchell,1994-10-26 Sexuality and erotic desire were important components of Victorian culture and the novels of the Victorian era reflect the sexual attitudes of the authors and culture of that period The Stone and the Scorpion focuses on the interplay of erotics in the novels of Charlotte Bronte George Eliot and Thomas Hardy Using several extra literary critical approaches particularly feminist gender relations theory this book determines degrees of female subjectivity and desire in these novels At the heart of the study is the belief that the disruption of conventional male female dualities is essential to the recasting of the erotic relationship in contemporary culture Mitchell re reads several well read novels by three major Victorian authors in order to analyze their symbolic construction of gender and sexuality As a group the novels she discusses are a recognized part of the established literary canon they span the latter half of the 19th century and they embody various forms of erotic desire The book considers to what extent the novelists dare to invest their female characters with erotic subjectivity and to what degree this investment changed over time **Clues** ,1995 Dance as Religious Studies Doug Adams,Diane Apostolos-Cappadona,1990 **Garcia Lorca** Cyril Brian Morris,1990
