## **The Palestinian-Israeli Peace Agreement A Documentary Record:**

*The Palestinian-Israeli Peace Agreement*, 1993      **The Palestinian-Israeli Peace Agreement** Institute for Palestine Studies (Washington, D.C.), 1994      **The Discourse of Palestinian-Israeli Relations** Sean F. McMahon, 2010-04-15 This Foucault inspired analysis of the degeneration of the Oslo Process into direct Palestinian Israeli violence critically examines the ideas and practices that define Palestinian Israeli relations The text offers a radically different peace proposal that moves far beyond exhausted calls for confidence building measures and or an end to settlement construction      Journal of Palestine Studies, 2007      Reframing and Resolving Conflict Karin Aggestam, 1999      The Israeli-Palestinian Road Map for Peace Derick L. Hulme, 2009 The Israeli Palestinian Road Map For Peace A Critical Analysis examines the failure of the international community s most ambitious effort to date to resolve the decades old Israeli Palestinian conflict by establishing an independent Palestinian state and securing a final comprehensive and lasting Middle East peace While reflecting an emerging consensus among the U S the European Union Russia and the United Nations that the Israeli Palestinian impasse demanded immediate attention the Road Map nonetheless was unable to overcome the Quartet members significant and longstanding differences The inability of Israel the Palestinian Authority and the U S to exploit opportunities afforded by terrorism s pendular dynamic further compromised prospects for success The Road Map s failure highlights the need for policymakers to develop those conceptual skills and perceptual sensitivities requisite for resolving the growing number of ostensibly intractable transnational conflicts confronting the international community in the 21st century      **Negotiating Arab-Israeli Peace, Second Edition** Laura Zittrain Eisenberg, Neil Caplan, 2010-07-14 The current Arab Israeli peace process and its historical context      **The PLO's Road to Peace** Allon Groth, 1995 Gennemgang af PLO s situation og fremtid Denver journal of international law and policy, 1997      **The American University Journal of International Law and Policy**, 1986      The Palestine Question in International Law Victor Kattan, 2008 The question of Palestine has been a pivotal one for international law ever since the foundation of the UN in 1945 It remains so today On July 9 2004 the International Court of Justice ICJ gave its advisory opinion on the Legal Consequences of the Construction of a Wall in Occupied Palestinian Territory It ruled on some major international law questions concerning the applicability of the Geneva Civilians Convention of 1949 to prolonged occupations as well as human rights law more generally It confirmed the illegality of the Israeli civilian settlements established on occupied Palestinian territory and affirmed the continuing relevancy of the right of the Palestinian people to self determination which it considered an obligation erga omnes The ICJ did not however rule on many of the international law questions pertaining to Final Status Issues which still need to be negotiated between the Israeli and Palestinian leadership if peace is to ever be accomplished in the Holy Land In this series of essays some of the most important questions relating to the Israel Palestine conflict are addressed and reproduced in one complete volume coinciding with the 60th anniversary of the creation of Israel and the demise of the British mandate of Palestine      Dictionary of the

Israeli-Palestinian Conflict Claude Faure, 2005 Presents 1 500 alphabetized cross referenced articles on the Israeli Palestinian conflict covering its history causes major figures and other aspects and includes time lines a glossary and a bibliography    The Vatican-Israel Accords Marshall J. Breger, 2004 When the agreement between the Holy see and the state of Israel was signed on December 30 1993 it established diplomatic ties between the Vatican and Israel for the first time This volume brings together that analyze the legal historical theological and political meaning of the Accords

**Dickinson journal of international law** ,1998    **The Palestinian People** Baruch Kimmerling, Joel S. Migdal, 2003 In a timely reminder of how the past informs the present Baruch Kimmerling and Joel Migdal offer an authoritative account of the history of the Palestinian people from their modern origins to the Oslo peace process and beyond Palestinians struggled to create themselves as a people from the first revolt of the Arabs in Palestine in 1834 through the British Mandate to the impact of Zionism and the founding of Israel Their relationship with the Jewish people and the State of Israel has been fundamental in shaping that identity and today Palestinians find themselves again at a critical juncture In the 1990s cornerstones for peace were laid for eventual Palestinian Israeli coexistence including mutual acceptance the renunciation of violence as a permanent strategy and the establishment for the first time of Palestinian self government But the dawn of the twenty first century saw a reversion to unmitigated hatred and mutual demonization By mid 2002 the brutal violence of the Intifada had crippled Palestine s fledgling political institutions and threatened the fragile social cohesion painstakingly constructed after 1967 Kimmerling and Migdal unravel what went right and what went wrong in the Oslo peace process and what lessons we can draw about the forces that help to shape a people The authors present a balanced insightful and sobering look at the realities of creating peace in the Middle East    **After Oslo** George Giacaman, Dag Jrund Lonning, 1998-02-20 This radical critique of the Oslo Peace Accord was originally sponsored by the Norwegian government which withdrew its support due to the controversial nature of the contributions The contributors to this volume all recognized experts on the region critically assess the effectiveness of the Peace Accord its consequences for Palestinian society and the Israel Palestine relationship By scrutinizing its framework the contributors expose the limitations of the process and seriously question whether it can ever lead to a lasting peace in the Middle East    **The Muslim World Book Review** ,1994    **The Cumulative Book Index** ,1995 A world list of books in the English language    **Middle East Insight** ,1994-11    **Jewish Political Studies Review** ,2001
