The Papers of James Madison: 4 March-31 July 1801 James Madison,1986 **US Consular Representation in Britain since 1790** Nicholas M Keegan,2018-03-08 In its early years the United States Consular Service was a relatively amateurish organization often staffed by unsuitable characters whose appointments had been obtained as political favours from victorious presidential candidates a practice known as the Spoils System Most personnel changed every four years when new administrations came in This compared unfavourably with the consular services of the European nations but gradually by the turn of the twentieth century things had improved considerably appointment procedures were tightened up inspections of consuls and how they managed their consulates were introduced and the separate Consular Service and Diplomatic Service were merged to form the Foreign Service The first appointments to Britain were made in 1790 with James Maury becoming the first operational consul in the country at Liverpool At one point there was a network of up to ninety US consular offices throughout the UK stretching from the Orkney Islands to the Channel Islands Nowadays there is only the consular section in the embassy and the consulates general in Edinburgh and Belfast **The Papers of James Madison: 1**

September 1804-31 January 1805, with a supplement 1776-23 June 1804 James Madison,1986 **Constitutional Inquisitors** Scott Ingram,2023-09-26 In the United States federal prosecutors enjoy a degree of power that s unmatched elsewhere in the world unlike their counterparts in other countries federal prosecutors are free to investigate and prosecute or decline to prosecute criminal cases without significant oversight Our contemporary concerns about federal prosecutors that they have too much power and too much discretion over how they use it have a history that goes back to the founding of the United States This will be the first book to examine the development of the federal law enforcement apparatus in the earliest part of the early republic **The Papers of James Madison: 1 November 1803-31 March 1804** James Madison,1986

The Presidential Pardon Saikrishna Bangalore Prakash,2026-01-20 Today pardons seem to be astonishingly broad and everywhere with candidates promising pardons and presidents eagerly passing out get out of jail free cards to allies and relatives Saikrishna Prakash explores the transformation of the pardon once mostly a rare feat of principled deliberation now a routine matter of pure political expediency *Historical Documentary Editions 2000* United States. National Historical Publications and Records Commission,2000 **I Have Avenged America** Julia Gaffield,2025-06-17 A moving and humane portrait of the abolitionist revolutionary Jean Jacques Dessalines who led Haiti s fight for independence from French colonial rule My name has become a horror to all those who want slavery declared Jean Jacques Dessalines as he announced the independence of Haiti the most radical nation state during the Age of Revolution and the first country ever to permanently outlaw slavery Enslaved for the first thirty years of his life Dessalines c 1758 1806 joined the revolution that abolished slavery within the French colony Then he became a general in the colonial army of the new French Republic When it was discovered that France once again supported slavery Dessalines declared war on his former allies Fighting under the slogan

Liberty or Death his army forced the French to evacuate in late 1803 At the start of the new year Dessalines declared independence from France and became the leader of a free Haiti A hero to Haitians for centuries Dessalines is portrayed abroad as barbarous and violent Yet this caricature derives not from facts as Julia Gaffield demonstrates with extensive new research but from the fears of contemporary enslavers Showcasing the man behind the myths Gaffield reveals Dessalines s deep suffering warm friendships and unwavering commitment to destroying slavery racism and colonialism and his bold insistence on his people s right to liberty and equality Historical Documentary Editions ,2000 **The Papers of James Madison: 16 May-31 October 1803** James Madison,1986 **The Papers of James Madison: 1 March-6 October 1802** James Madison,1986 The Papers of James Madison James Madison,1986 The Papers of James Madison project housed at the University of Virginia was established in 1956 to publish annotated volumes of the correspondence and writings of James Madison the Virginia statesman most often remembered for his public service as Father of the Constitution and as fourth president of the United States The published volumes provide accurate texts of Madison s incoming and outgoing correspondence informative notes on textual and subject matters and comprehensive indexes They are incomparably rich sources for students of Madison s life and valuable research tools for those interested in the general history of the period in which Madison lived 1751 1836 The project has collected more than 27 000 copies of documents related to Madison s life including letters essays notes diaries account books ledgers wills legal papers and inventories The project serves the public by translating into print these decaying and often nearly illegible manuscripts thereby preserving them for future generations and making them easier to use The published volumes also make the contents of Madison related documents the originals of which are housed in some 250 archives worldwide easily accessible to libraries and interested individuals anywhere books travel The Secretary of State Series documents Madison s diplomatic and political career in the two administrations of Thomas Jefferson 1801 9 during which he oversaw the negotiations for the Louisiana Purchase and the integration of those territories into the United States and attempted to maintain a viable neutrality for the United States vis vis warring France and Great Britain As secretary of state Madison presided over one of the busiest offices in Washington He was responsible for the Patent Office issued all federal commissions saw that the public laws were put into print and served as the official liaison between the president and the governors of states and territories Most important for these volumes Madison was the addressee of diplomatic pouches and letters from five ministers and over fifty consuls worldwide as well as about a dozen commissioners Publisher **The Papers of James Madison: 2 April-31 August 1804** James Madison,1986 **The Papers of James Madison** Mary A.
