Ulysses S. Grant: October 1, 1878-September 30, 1880 Ulysses Simpson Grant,1967 By late 1878 after a year and a half abroad Ulysses S Grant had visited every country in Europe and he was homesick I have seen nothing to make me regret that I am an American Our country its resources energy ingenuity and intelligence of the people c is more appreciated abroad than at home Grant decided to return through Asia After a delightful run to Dublin and northern Ireland he left Paris with his wife Julia son Frederick and a few friends in January 1879 Heading east Grant kept a travel diary On the voyage to Bombay travelers socialized on deck Four of the lady passengers and one of the gentlemen Amature Artists amused themselves by sketching me Crossing India overland the Grant party rode elephants visited the Taj Mahal and witnessed Hindu ceremonies From Calcutta Grant sailed for Burma Singapore and Siam where he found young King Chulalongkorn quite impressive in appearance and intelligent After stops at Hong Kong and Canton Grant wrote I am satisfied that the Chinese are badly treated at home by europeans as well as when they emigrate At Tientsin Grant befriended Viceroy Li Hung chang probably the most intelligent and most advanced ruler if not man in China and at Peking he agreed to mediate a dispute with Japan over the Ryukyu Islands While China languished Japan had made almost inconceivable progress since the 1868 Meiji Restoration During a very delightful ten weeks Grant met the Emperor visited shrines and hot springs attended a play and a lantern parade in his honor and held talks on the Ryukyu dispute He departed with assurances that pleasant recollections of my present visit will not vanish while my life lasts Throng welcome Grant to San Francisco on September 20 1879 Grant assured all that the United States stood second to none in the world in its people institutions and ideals He told Confederate veterans I have an abiding faith that we will remain together in future harmony Grant toured Yosemite and visited scenes from his army days in Oregon and Washington Territory then headed east again his train cheered at every stop At Galena and Chicago he basked in the warmth of ovations and old friends Another series of crowds and banquets culminated in December at Philadelphia where Grant completed his circuit of the globe As 1880 began Grant headed south He marveled at Florida s potential and groused at Cuba s heat then reached Mexico a country he had long ago admired as part of an occupying army The climate is perfection the scenery unsurpassed and the people as clever and hospitable as it is possible for them to be Grant met influential leaders toured silver mines and old battlefields and encouraged development Grant returned to New Orleans and more banquets and speeches touting reconciliation and praising black advancement His progress north took on the air of a campaign as the Republican convention loomed Newspapers debated a third term while Grant kept silent In June at Chicago delegates split between Grant and James G Blaine and settled on dark horse James A Garfield Grant expressed relief at avoiding a most violent campaign Grant spent the summer in the Rocky Mountains inspecting mines sometimes by

pack mule for possible investments In September back in Galena he rejoined the political fray attacking Garfield s opponent Major General Winfield S Hancock in an interview He is the most selfish man I know He can not bear to hear anyone else praised but can take any amount of flattery With the election weeks away and the outcome in doubt Grant took to the stump I am a Republican he told an Ohio crowd as the two great political parties are now divided because the Republican Party is a national party seeking the greatest good for the greatest number of citizens

Although Ulysses S Grant is best remembered as Civil War commander and as president documents included here demonstrate his importance in the intervening years Grant interpreted Reconstruction as the means to preserve battlefield victories He avoided taking a public stand in the bitter dispute between President Andrew Johnson and Congress because he believed that military men served the country not partisan interests Nevertheless he recognized that presidential Reconstruction had failed and privately supported passage of the First Reconstruction Act Grant s public silence on political issues led to lively newspaper speculation and individuals from unreconstructed rebels to ardent Unionists wrote to him offering support and advice Circumstances were forcing him inexorably onto the political battlefield

The Papers of Ulysses S. Grant: January 1-October 31, 1876 Ulysses Simpson Grant,2005 On May 10 1876 Ulysses S Grant pulled a lever to start the mighty 1 400 horsepower Corliss Steam Engine powering acres of machinery for the nation s Centennial Exhibition in Philadelphia Grant summed up a century of American progress by saying Whilst proud of what we have done we regret that we have not done more Our achievements have been great enough however to make it easy for our people to acknowledge superior merit wheresoever found That summer Fourth of July celebrations coincided with early reports that Lieutenant Colonel George A Custer and his Seventh Cavalry had been wiped out by Sioux Grant resisted the subsequent clamor for volunteers to crush the Sioux but his peace policy lay in shambles and he later criticized Custer s unnecessary sacrifice of troops Soldiers sent to subdue Indians meant fewer available to help ensure a fair election in November Grant s correspondents described a pattern of physical and economic intimidation throughout the South as Democrats sought to keep blacks from the polls After whites massacred black militia in South Carolina Grant warned that unchecked persecution would lead to bloody revolution As violence spread Grant struggled to position limited forces where they could do the most good Scandals diverted Grant s attention from larger policy questions A series of Whiskey Ring prosecutions culminated in the February trial of Orville E Babcock Grant s private secretary A new scandal erupted in March when Secretary of War William W Belknap resigned hoping in vain to avoid impeachment for selling post traderships Grant drew fire for having accepted the resignation a move that ultimately led to Belknap s acquittal by the Senate An investigation

also linked Grant's brother Orvil to the scandal Grant battled a Democratic House of Representatives until late that summer over issues as vital as the budget and as symbolic as the president's absences from the capital He welcomed Rutherford B Hayes as the Republican choice for his successor despite private irritation at Hayes's pointed pledge to serve only one term As his presidency waned Grant planned a trip to Europe when he left office Investments would finance his travels and he staked his fortunes on western mining stocks In June a granddaughter born at the White House brought the family joy in an otherwise trying year

The Papers of Ulysses S. Grant: November 1, 1869-October 31, 1870 Ulysses Simpson Grant, Ulysses S. Grant Association, 1967 Volume 20 is the first in this acclaimed series to cover the months when Ulysses S Grant held no military commission As president however Grant's significance grew rather than diminished His leadership and decisions touched directly or indirectly most people in the United States and many more around the globe Grant spoke sincerely when he said that I have done all I could to advance the best interests of the citizens of our country without regard to color and I shall endeavor to do in the future what I have done in the past He urged adoption of the Fifteenth Amendment and rejoiced in its ratification expressing his belief that it was the realization of the Declaration of Independence Grant acknowledged that government had treated Indians badly in the past In the short run he recommitted his administration to the experiment of employing Quakers and humanitarians as Indian advisers and agents trusting in eventual great success In the long run however Grant thought placing Indians on large reservations and encouraging them to take their lands in severalty and to set up territorial governments for their own protection the best course In foreign affairs Grant became fixed on the annexation of Santo Domingo gave this issue an inordinate degree of attention and squandered political capital in confrontations with Congress Senate foreign affairs committee chairman Charles Sumner emerged as the villain preventing Grant from achieving his desire and Grant displayed his animosity toward the Massachusetts senator in private as well as in the very public removal of Sumner's friend John L Motley as minister to England Developments such as growing tensions among European powers Spanish Cuban relations and the Alabama Claims negotiations received relatively little attention Grant in fact admitted shortly after the outbreak of the Franco Prussian War I had no idea that such an event was even threatening

The Papers of Ulysses S. Grant, Volume 2 Ulysses Simpson Grant, 1967 **The Papers of Ulysses S. Grant: October 1, 1867-June 30, 1868** Ulysses Simpson Grant, 1967 In spite of his public silence Grant was caught in the dispute between Congress and President Andrew Johnson His position became intolerable after Johnson publicly accused Grant of dishonesty The same sense of duty that sent Grant to war in 1861 gave him no alternative to accepting the Republican nomination I could back down without as it seems to me leaving the contest for power for the next four years between mere trading politicians the elevation of whom no matter which party won would lose to us largely the results of the costly war which we have gone through From Washington Grant monitored events in both the South and the West He felt that military government could protect the citizenry when civil government faltered and endorsed the efforts of the

Grant Papers** Ulysses Simpson Grant,1965 [The Papers of Ulysses S. Grant: February 21-April 30, 1865](#) Ulysses Simpson Grant,1967 On March 29 Grant opened the Appomattox campaign informing Sheridan that I now feel like ending the matter Despite pleas to cancel the offensive because of adverse weather Grant pressed ahead Sheridan won the battle of Five Forks on April 1 and the next day Grant overran Lee's lines at Petersburg forcing the evacuation of Richmond Grant's mastery was never more apparent than during his last battle I shall press the pursuit to the end he wrote to Sherman and by April 19 Lee had to choose between capitulation or annihilation With the surrender at Appomattox Grant demonstrated his capacity for making peace as well as for waging war In the frantic aftermath of Lincoln's death Grant maintained his customary levelheadedness despite clamor for vengeance He hoped that in President Andrew Johnson we will find a man disposed and capable of conducting the government in its old channel

The Papers of Ulysses S. Grant: November 16, 1864-February 20, 1865 Ulysses Simpson Grant,1967 During the winter of 1864-65 the end of the Civil War neared as Lieutenant General Ulysses S. Grant maintained pressure against the dying Confederacy Major General William T. Sherman ripped through Georgia and presented Savannah to President Abraham Lincoln as a Christmas gift Grant continued the long siege at Petersburg pinning down General Robert E. Lee's Army of Northern Virginia He held Lee in place while his armies demolished the Confederacy elsewhere Grant knew that the Confederacy could not long survive He must have seen it in the faces of the Confederate peace commissioners who appeared at City Point at the end of January although their meeting with Lincoln at Hampton Roads was unproductive Grant prepared to strike the final blow **The papers of ulysses s. grant, vol.6, edited by john simon** Ulysses S.
