The Pastoral Associate And The Lay Pastor:

The Pastoral Associate and the Lay Pastor Mary Moisson Chandler,1986 In the Name of the Church William John Cahoy,2012 In the Name of the Church Vocation and Authorization in Lay Ecclesial Ministry presents insights generated in the 2011 Collegeville National Symposium on Lay Ecclesial Ministry a gathering designed to prioritize the theological foundations for vocation and authorization in lay ecclesial ministry and make recommendations to advance excellence in this expanding ministry The essays presented by seven theologians at the Symposium are included along with thoughtful input drawn from the experiences of lay and ordained ministers who gathered to amplify the voice and strengthen the national will to promote effective ecclesial leadership practices identified within Co Workers in the Vineyard of the Lord **JUST**

MINISTRY Richard M. Gula,2010 At a time when concerns for misconduct abuse scandals and liability have brought pastoral ministers under greater scrutiny than ever before and have threatened to undermine their morale Just Ministry offers a positive perspective on the vocation of pastoral ministry and wise ethical guidance to foster integrity in ministry This is a helpful training and evaluative resource for those involved in pastoral ministry as ordained clergy religious or lay ministers Key concepts are illustrated through case studies and practical strategies for acquiring and developing virtues as well as preventative education for pastoral ministry in avoiding misconduct **Commodity Activism** Roopali

Mukherjee,Sarah Banet-Weiser,2012-02-01 Buying RED products from Gap T shirts to Apple to fight AIDS Drinking a Caring Cup of coffee at the Coffee Bean Tea Leaf to support fair trade Driving a Toyota Prius to fight global warming All these commonplace activities point to a central feature of contemporary culture the most common way we participate in social activism is by buying something Roopali Mukherjee and Sarah Banet Weiser have gathered an exemplary group of scholars to explore this new landscape through a series of case studies of commodity activism Drawing from television film consumer activist campaigns and cultures of celebrity and corporate patronage the essays take up examples such as the Dove Real Beauty campaign sex positive retail activism ABC s Extreme Home Makeover and Angelina Jolie as multinational celebrity missionary Exploring the complexities embedded in contemporary political activism Commodity Activism reveals the workings of power and resistance as well as citizenship and subjectivity in the neoliberal era Refusing to simply position politics in opposition to consumerism this collection teases out the relationships between material cultures and political subjectivities arguing that activism may itself be transforming into a branded commodity **Toronto Journal of Theology**

,1999 Feminist and Womanist Pastoral Theology Bonnie J. Miller-McLemore,Brita L. Gill-Austern,1999 In the last decade the focus of pastoral theology has shifted dramatically from care defined as counseling to care understood within a wider social political and religious context Feminist and womanist theory as well as feminist and womanist faith convictions have played a key role in this development According to the authors feminists and womanists in pastoral theology have begun to reconstruct the definitions parameters and commitments of pastoral care and counseling These changes have critical

implications for care within congregations and for the understanding of theology in seminaries and divinity schools Yet these developments in the theory and practice of pastoral theology and their broader ramifications have not been carefully analyzed or even acknowledged by pastoral theologian minister and religion scholar alike This is due to a failure to articulate clear understandings of the field the gap between congregational ministry and higher education in religion and conflicts in theological education in general over the place of practice and theory experience spirituality and practical theology To redress these problems this collection of essays has a threefold aim First the book identifies the many changes occurring in definitions of pastoral theology care and counseling Second the volume defines and develops new methods and approaches Third the authors attend to the implications of these changes for congregational care and theological education Roughly speaking the order of the chapters in this volume follows this threefold agenda moving from an exploration of the changes in pastoral theology to its reconstruction to some of the implications of recent innovations
