## **The Pastoral Companion A Canon Law Handbook For Catholic Ministry:**

**The Pastoral Companion** John M. Huels, 1995 The 1983 revised Code of Canon Law is now a dozen years old. Since then hundreds of new laws and more than 25 authentic interpretations of laws have been promulgated not only adding new legislation but in some cases changing canons of the code and norms of the liturgical books. Also during this period many new documents have appeared from the Holy See and the conference of bishops. Some of the more important recent publications that affect the pastoral ministry are the 1990 Code of Canons of the Eastern Churches the 1993 Directory for Ecumenism the 1988 Directory for Sunday Celebrations in the Absence of a Priest a new marriage ritual 1991 and rites for ordination 1990 which have not yet appeared in English and new American editions of the RCIA Order of Christian Funerals and Book of Blessings. This completely revised and updated edition incorporates changes in law new laws and commentaries promulgated since 1983 and features new indexes a 14 page glossary of canon law terms an outline of the 1988 reforms of the Roman Curia a new chapter on holy orders and clergy new sections on the faithful rights and obligations sacramentals Communion services outside Mass and much more

**The Pastoral Companion** John M. Huels (o.s.m.), 1986 **New Commentary on**

**the Code of Canon Law** John P. Beal, James A. Coriden, Thomas Joseph Green, 2000 A complete and updated commentary on the Code of Canon Law prepared by the leading canonists of North America and Europe. Contains the full newly translated text of the Code itself as well as detailed commentaries by thirty six scholars commissioned by the Canon Law Society of America

**Guide for Extraordinary Ministers of Holy Communion** Kenneth A. Riley, 2007 **The Sacrament of Reconciliation** Robert L. Fastiggi, 2017-03-28 The Sacrament of Reconciliation is a comprehensive and accessible resource for undergraduate graduate and seminary courses on the Sacrament of Reconciliation. It offers an overview of the sacrament in terms of its anthropological scriptural historical and theological roots as well as an analysis of the key components of the sacrament itself matter form minister recipient etc. With the knowledge of a theologian and the skill of an historian Robert Fastiggi links the Sacrament of Penance to its anthropological foundations grounded in the recognition of human failure and the need for forgiveness. This anthropological foundation includes a brief overview of how non biblical religions deal with sin and purification as well as the revelation of the human need for reconciliation presented in Sacred Scripture. He carefully unwraps the Old Testament and New Testament narratives that cover original sin human rebellion the need for reconciliation conversion forgiveness and the remission of sin. Dr Fastiggi understands the sacrament in the context of spirituality or ascetical and mystical theology. His section on the Sacrament of Penance in Church history lays out comprehensive overview of the development in the sacrament of Penance from the Patristic period to the period immediately before Vatican II. At the heart of the new evangelization is the proclamation of Christ who has come into the world to reconcile sinful human beings with the transcendent love of God. For those living today in a post Christian world the powerful message of God's merciful love expressed through the sacrament of reconciliation is a most valuable way of knowing the joy of the Gospel.

**Empowerment for Ministry** John M. Huels, 2003 Empowerment for Ministry is a must have reference book that provides a comprehensive treatment of diocesan faculties for priests deacons and lay ministers It develops a coherent theory of the juridical nature and the delegation of faculties identifies and organizes the pertinent rules of canon law and the canonical tradition on the grant supply use and cessation of diocesan faculties and offers model faculties and commentaries on them for clergy lay ministers and chancery officials Part I Canonical Theory and Rules presents a comprehensive treatment of diocesan faculties and all the canonical rules applicable to them Part II Model Faculties and Commentaries offers lists of faculties and commentaries on them Audience diocesan leadership and those who advise them in the preparation and updating of diocesan faculties canonists and students of canon law priests deacons and lay ministers who have faculties by law and or delegation those preparing for ecclesial ministries seminarians deacon candidates and lay ministers in formation

**A Virtuous Church** R. Kevin Seasoltz, 2012 The topics examined in this book include the development of virtue morality and its practice in today s Catholic Church tensions between local churches and the universal church and the celebration of the liturgy and the sacraments

**Reproductive Justice and the Catholic Church** Emily Reimer-Barry, 2024-06-10 Pregnancy loss is profoundly complex ambiguous and alienating but telling women who have procured abortions that they are murderers and sinners is not the best way forward Magisterial teachings on abortion are too often presented as moral absolutes when in fact moral absolutism distorts the rich wisdom of the Catholic intellectual tradition This book initiates a new conversation about women s experiences of miscarriage stillbirth and abortion arguing that we need not approach these difficult life experiences in a simplistic way Dr Reimer Barry argues that both the pro life and pro choice movements make important and valuable claims yet each approach on its own is flawed Drawing on the framework of reproductive justice together with Catholic social teaching Dr Reimer Barry suggests a new way forward for abortion discourse that takes seriously the full human dignity of women and the intrinsic though not absolute value of prenatal life She argues that instead of thinking of the Church as a moral teacher with leaders in Rome or Washington DC dictating to the consciences of the faithful a better way to address the complexity of difficult pregnancy discernments would be to think of the Church as a community of support in the midst of and after difficult discernments a community that seeks justice together and implements structural reforms while also providing spiritual care to those in need What women deserve is justice

**Penal Law in Action** Msgr. Daly, Brendan, 2023 This book on penal law explains the main topics of penal law with cases and examples of its implementation using the changed text of Book 6 of the Code of Canon Law that will come into effect on December 8 2021 Pope Francis has revised Book 6 of the Code of Canon Law Penal Sanctions in the Church canons 1311 1399 Of these 89 canons 63 have been changed and others have been renumbered Changes include a new canon 1376 concerning the crimes of stealing and misappropriation of church property canon 1398 2 making the sexual abuse of minors by religious brothers and sisters a crime c 1398 1 no 2 making grooming a crime Other changes in canon law since 1983

have been incorporated into the new book 6 These include raising the age for sexual abuse from under age 14 to under age 18 a 1988 law imposing penalties for recording confessions penalties for the attempted ordination of a woman penalties for bishops failing to report or take sufficient measures against perpetrators of sexual abuse and for clerics using pornography of those under age 18    Down Deep in My Soul Nutt, Maurice J., CSsR,2023-03-02 A comprehensive treatment of preaching in the Black Catholic tradition    *Proceedings of the sixty-sixth annual convention / Canon Law Society of America : Pittsburgh, Pennsylvania, October 11-14, 2004* Canon Law Society of America,2005    The Ministry of Law in the Church Today Kevin E. McKenna,1998 Many members of the Catholic Church today clergy as well as laity find no useful purpose for the Church s legal structure or canon law They may view canon law as arbitrary antiquated or even a hindrance to the movement of the Spirit especially within the context of developments following the Second Vatican Council Kevin E McKenna counters this attitude with an overview of the positive features of Church law and a modern analysis of the canonical tradition of the Church McKenna argues that the utilization of canon law in the Church today is not only desirable but necessary and that it can be highly constructive when the law is viewed as a ministry of service The call of the Church since Vatican II has been towards communion with Christ among Christians and between local churches The concept of communion provides a structure and a path that can clarify and encourage individual participation in developing the common good After a discussion of the development of Church law and the effect Pope Paul VI and Pope John Paul II have had on contemporary canon law McKenna s work underscores the role of canon law in highlighting the rights of all members of the Church Canon law is necessary to assist in the orderly carrying out of the gospel demands and to protect the freedom of individual Church members Practical applications of canon law include the annulment process and alternatives for resolving disputes within the Christian community The Ministry of Law in the Church Today provides practical guidance and rationale for the role of law in the Church for pastoral ministers who are accustomed to seeing canon law as a problem rather than a solution This book will also appeal to laity who harbor a curiosity about the usefulness of Church law in everyday Christian life    **Proceedings of the sixty-third annual convention / Canon Law Society of America : Albuquerque, New Mexico, October 8-11, 2001** Canon Law Society of America,2001    Pastoral Music ,1995    West's Legal Desk Reference William P. Statsky,1991    The Jurist ,2000    BOLESWA Journal of Theology, Religion and Philosophy ,2006    **Family Law** William P. Statsky,1996 This newly redesigned edition of Family Law The Essentials 2E provides accurate concise coverage of family law with an emphasis on practical paralegal skills and technique The text presents all the standard topics that must be covered in a family law course but does so in a briefer format than the comprehensive Family Law by the same author It is ideal for use in shorter courses or for courses that supplement a text with state specific material    **Handbook and Membership Directory** Catholic Library Association,1988    From Life to Law James H.
