

The Penitent

Edward Bouverie Pusey

The Penitent:

The Penitent: Part I A. Keith Carreiro, 2016-11-10 A baby is born and placed in his dead mother's arms When the funeral shroud is cast over her his father names his son Pall It will become a name that strikes a shiver into the hearts of those who hear it in combat A lone survivor on a battlefield many years later Pall dazedly recovers from the wounds of war Despite the dead cast about him everything he sees is unfamiliar to him Wandering away from this scene of carnage he encounters John Savage a giant of a man who puts Pall within the sites of Savage's seven foot nocked longbow Ensuing from this deadly encounter is an elusive journey for truth Yet it is haunted not just by a ravaging demon out to destroy Pall and John but by the vision of a startling beautiful young woman protecting Pall from afar

This historic book may have numerous typos missing text or index Purchasers can download a free scanned copy of the original book without typos from the publisher 1900 06 Not illustrated Excerpt CHAPTER VI The Ceremonies Of The Jubilee In the still unpublished diary¹ of Francesco Mucanzio papal master of ceremonies at the close of the sixteenth century we find that distinguished rubrician in December 1574 discussing at some length the ritual to be used in the unwalling of the Holy Door at the forthcoming celebration of the Jubilee He tells us that as the time for the ceremony drew near he went to his Holiness Pope Gregory XIII and submitted to him a memorandum concerning the preparations to be made and the things to be then observed It appears however that his colleague in the office of master of ceremonies also went to the Pope with a similar programme which he declared to be that which had been followed by Julius III in the year 1550 It differed very little from

mine says Mucanzio except in the versicles and responses Those which I had set down were taken from an ancient roll a quodam rotulo antiquo used in the time of Clement VII and of these versicles there was probably no accurate copy forthcoming in 1550 on account of the pillage and disasters to which the city had been subjected he refers presumably to the sack of Rome in 1527 hence they had been somewhat altered My opinion was that out of the two sets which we had before us a third more appropriate than either might have been drawn up but when the matter was proposed in the Congregation of Cardinals appointed for the revision of ceremonies they decided that as regards the versicles 1The copy here quoted is contained in MS Addit 26811 at the British Museum and prayers the precedent of Julius III s time should be adhered to in every particular The fact is adds Mucanzio we have nothing prescribed about this matter in the Book of Ceremonies 1 and on this ac Gazetteer of the Bombay Presidency Bombay (Presidency),1885 **Practical Reflections on Every Verse of the New Testament: The holy Gospels** ,1883 Catholic Worship Otto Gisler,1888
