The People And Places Of Thomas Wolfes Look Homeward Angel From The 1929 Scribners Edition:

The People and Places of Thomas Wolfe's Look Homeward, Angel Joanne Marshall Mauldin, 2002-04-01

Annotations of the book Look Homeward Angle from the 1929 Scribners Edition *The Thomas Wolfe Review* ,2001

Windows of the Heart Thomas Wolfe, Margaret Roberts, 2007 The first publication of decades of correspondence between Wolfe and the teacher he deemed the mother of my spirit Thomas Wolfe remains one of the least understood of the major twentieth century American writers but his relationship with his most influential teacher sheds new light on his creative genius and on the nurture of creativity in general Edited by Ted Mitchell *Windows of the Heart* collects seventy five letters exchanged between Wolfe and Margaret Roberts the grade school teacher he called the mother of my spirit and follows the ebb and flow of their complex relationship By turns encouraging revealing and painful their letters document one of the most important forces in the novelist s life When Wolfe entered a writing contest at age eleven Roberts easily identified the young boy s literary potential From that moment forward she became his most ardent supporter His teacher for four years she awakened in him a love for fine literature and a belief in his abilities Wolfe later described the years under her tutelage as the happiest and most valuable years of my life Published for the first time in their entirety and supplemented with forty two photographs the letters between teacher and student portray Roberts s significance to Wolfe and provide important clues to his process of fictionalization Wolfe confides to Roberts as he can to no one else about fame his writing his life his affair with Aline Bernstein and his interactions with editor Maxwell Perkins Their correspondence builds to the publication of *Look Homeward Angel* After seventeen years of an intense and loving relationship Roberts feels betrayed by the novel s satiric portrayal of her husband and his family Their communication stops for seven years but in a testament to her love for Wolfe Roberts eventually reinitiates a correspondence that lasts until his death In addition to Mitchell s insightful introduction the letters are augmented by a foreword from Matthew J Bruccoli a leading authority on the House of Scribner and its authors

The North Carolina Historical Review ,2004

Thomas Wolfe Joanne Marshall Mauldin, 2007 In 1937 after years of living alone in New York City a manic depressive Thomas Wolfe returned to his family and his native Asheville North Carolina a city he had both ridiculed and brought notoriety to through his novel *Look Homeward Angel* eight years earlier Concerned about lingering resentment from the community over the literary work and his tenuous relationship with his family members Wolfe returned to his hometown with caution but also with the need to both rejuvenate and compile material for his next novel It is this visit that sparks Wolfe s trademark conclusion You can t go home again During 1937 and 1938 Thomas Wolfe experienced extreme highs and lows as he labored furiously to produce his next work Joanne Marshall Mauldin provides an in depth look at those final two years in the life of the brilliant yet troubled writer in *Thomas Wolfe When Do the Atrocities Begin* By adding new information and insight Mauldin challenges much of the existing biographical material on the writer and offers a fresh view on the final years of his life Through the utilization of primary and secondary sources including letters

interviews recordings and newspaper clippings Mauldin offers a candid account of the life of Thomas Wolfe from the time of his visit to North Carolina in 1937 until his untimely death in 1938 Mauldin chronicles details of Wolfe s shocking change in publishers and his complex relationships with his editors family friends and his mistress This examination goes beyond Wolfe s life and extends into the period after his death revealing details about the reaction of family and friends to the passing of this literary legend as well as the cavalier publishing practices of his posthumous editors Mauldin s narrative is unique from other biographical accounts of Thomas Wolfe in that it focuses solely on the final years in the life of the author Her unbiased approach enables the reader to draw his or her own conclusions about Wolfe and his actions and state of mind during these last two years of his life

Portable Prose Jarrad Cogle,N. Cyril Fischer,Lydia Saleh Rofail,Vanessa Smith,2018-11-09 Portable Prose The Novel and the Everyday examines the novel as a privileged site for representing the everyday as well as a physical object that occupies public and private space This collection interrogates the relationships between these differing aspects of the novel s existence negotiating the boundaries between the material world subjective experience and strategies of representation This collection offers a wide array of innovative novelistic explorations with a focus ranging from nineteenth century fiction to contemporary literary theory and explores the portability of novels as both physical things and virtual hermeneutic devices While mimetic qualities of prose remain an integral consideration for literary interpretation this collection argues for more diverse frameworks ones that see aesthetic components of the novel in close connection with reading practices shared structures of feeling and the corporeal In this capacity this volume will argue for readings of texts that consider the capacity for literary culture to move through the world but also to make it or re make it
