Brianna is catapulted from cloud nine when she discovers Lorenzo's lifeless body in a cramped cave on a secluded beach. Trained in military strategy by her father, she teams with Lorenzo's brother Marcio to find the murderer. She discovers that not everyone is who they seem to be. Someone wants her to take the fall. After an attempt is made on Marcio's life, Brianna is forced to go underground, hiding from the police while employing every clever trick her naval officer father taught her to outthink both the killer and the cops. Her evasive maneuvers take her from Panama's white sand beaches to its dense urban jungle and from seedy hooker hotels to opulent five-star resorts. With her career and her freedom on the line, she realizes she will do anything and use anyone to stay out of prison. The glamorous international beach setting will make you want to book a vacation to Panama. The plot twists will make for an animated discussion at your next book club.
