The Pat Lowther Poem:

The Pat Lowther Poem Gail McKay,1978-01-01 *The Collected Works of Pat Lowther* Pat Lowther,2010 With one of the most distinctive and ambitious voices of Canada's growing literary scene of the 1970s Pat Lowther has inspired ongoing critical discussion and debates To date these have taken place in the absence of a definitive text of her accomplished body of work The Collected Works of Pat Lowther presents for the first time a comprehensive and chronologically accurate collection of Lowther's published and unpublished poetry This collected works edition provides a valuable new resource for all readers of Canadian poetry Book jacket

The Half-lives of Pat Lowther Chris Wiesenthal,2005 A biography and a critical assessment of Patricia Lowther's writing **Facsimiles of Time** Eric Linn Ormsby,2001 Eric Ormsby is a poet who writes prose that is both graceful and hard headed With an outspoken contempt for cant and literary persiflage Ormsby ranges over a surprising array of writers and literatures Each essay involves a new and sometimes startling viewpoint whether on Hart Crane's homosexuality and its effect on his poems or the strange and twisted yet redeeming place which Shakespeare held in his own family history From American and Canadian poetry to Classical Arabic literature Ormsby brings a fresh slant and incisive expression to his prose What was Franz Kafka doing at a ski resort in the last years of his life and what did he do there besides tobogganing Everyone knows that Jorge Luis Borges was bookish but did you know he was bloodthirsty as well How is Pat Lowther's posthumous reputation as a poet connected with the brutal circumstances of her murder These and other mysteries are explored in the 17 elegant essays that make up Eric Ormsby's new book

Time Capsule Pat Lowther,2000-11-15 *The Poetic Influence of Pat Lowther* Carolyn Zonailo,2010 **The Worlds of Carol Shields** David Staines,2014-12-02

The Worlds of Carol Shields is the first book to examine Shields' extraordinary career and life through the lens both of close friends and of literary critics **Carol Shields and the Writer-Critic** Brenda Beckman-Long,2016-01-27 Throughout her literary and critical career Canadian writer Carol Shields (1935-2003) resisted simple categorization Her novels are elegant puzzles that confront the reader with the ambiguity of meaning and narrative yet their position within Shields' critical feminist project has until now been obscured In *Carol Shields and the Writer-Critic* Brenda Beckman Long illuminates that project through the study of Shields' extensive oeuvre including her fiction and criticism Beckman Long brings depth to her analysis through close readings of six novels including the award winning *The Stone Diaries* Elliptical, open ended and concerned with women writing about women these novels reveal Shields' critique of dominant masculine discourses and her deep engagement with the long tradition of women's life writing Beckman Long's original archival research attests to Shields' preoccupation with the changing efforts of waves of feminist activism and writing A much needed reappraisal of Shields' innovative work *Carol Shields and the Writer-Critic* contributes to the scholarship on life writing and autobiography literary criticism and feminist and critical theory **Relating Carol Shields's Essays and Fiction** Nora Foster Stovel,2023-01-01 This collection of essays explores celebrated Canadian author Carol Shields' s experimentation with

the essay genre in relation to her fiction Shields's essays clarify her iconoclastic approach to rules of narrative and illuminate her revisionist policies elucidating the development of her fiction both novels and stories as her writing gradually becomes more explicitly feminist as well as more daringly postmodernist The dozen essays by the eminent Canadianists included in this edition throw fresh light on Shields's writing inviting us to read it with new eyes by revealing how her essays reflect and refract the brilliance of her fiction These essays read Shields's fiction through the lens of her essays including those contained in the recent Giardini edition wherein the author explains the creative methodologies involved in her fiction and also offers specific advice to writers of fiction
