

The book cover features a dark silhouette of a soldier in a combat helmet, holding a rifle. The soldier is positioned in the upper half of the frame. A bright, glowing green beam of light originates from the rifle's barrel and extends diagonally across the cover. The background is a deep blue space scene with a large, cratered planet or moon in the lower left, and a bright, glowing nebula or star system in the lower right. The title 'PEACEKEEPER' is written in large, white, serif capital letters across the middle of the cover, partially overlapping the soldier's silhouette. Below the title, the author's name 'PAUL HAEDO' is written in a smaller, white, serif font.

The Peace Keeper:

The Peace Keeper Cheril Goodrich, 2005-12 Ten years ago Cheril asked the question was it possible to understand the same things that Christ understood while He walked this earth Shortly after this she began to hear explanations that were far beyond her own understanding of what she believed His Words meant She found that by entering first into a state of peace these explanations would reveal themselves as higher wisdom that she had no prior knowledge of The Peace Keeper is a chronicle of some of the understandings she received that revealed to her the meaning of the words spoken and understood by Christ The diary part of The Peace Keeper is composed of her own musings and how these messages related to her own life while the subsequent articles reveal the wisdom and truth behind these musings Status of the Peacekeeper (MX) Weapon System United States.
