

The following policy template is for example purposes only. It contains the policy mandates that would be typical for a smaller merchant that has only point-of-sale (POS) terminals. Merchants who use this template should make modifications reflective of their specific operational environments. Merchants who have more sophisticated systems (for example: servers, printers, local area networks, etc.) will need to add additional policy mandates to ensure a comprehensive policy.

[Delete this disclaimer once the Merchant's Policy is written to reflect its specific environment]
