Spacetime Beast Roddrick B. Wesley, 1998-09      *Unlocking Orthodoxies for Inclusive Theologies* Robert E.

Shore-Goss, Joseph N. Goh, 2019-11-28 This book enters a new liminal space between the LGBTQ and denominational Christian communities It simultaneously explores how those who identify as queer can find a home in church and how those leading welcoming or indeed unwelcoming congregations can better serve both communities The primary argument is that queer inclusion must not merely mean an assimilation into existing heteronormative respectability and approval Chapters are written by a diverse collection of Asian Latin American and U S theologians religious studies scholars and activists Each of them writes from their own social context to address the notion of LGBTQ alternative orthodoxies and praxes pertaining to God the saints failure of the church queer eschatologies and erotic economies Engaging with issues that are not only faced by those in the theological academy but also by clergy and congregants the book addresses those impacted by a history of Christian hostility and violence who have become suspicious of attempts at acceptance It also sets out an encouragement for queer theologians and clergy think deeply about how they form communities where queer perspectives are proactively included This is a forward looking and positive vision of a more inclusive theology and ecclesiology It will therefore appeal to scholars of Queer Theology and Religious Studies as well as practitioners seeking a fresh perspective on church and the LGBTQ community      *The Mystical Keys to the Book of Revelation* Laura Lee Galan, 2000-09

The Mystical Keys to the Book of Revelation is about the author s miraculous transformation that was responsible for aligning her soul with the Spirit of the living God As her journey progressed God and his angels taught Laura the secrets to the Book of Revelation They revealed that this sacred Scripture is not a book of doom and gloom but simply describes in symbolic language the stages of metamorphosis that will occur on the planet as the souls of humanity are aligned with the divine spirit Laura s own metamorphosis led her into the arms of true love as she and her soul mate were united She reveals how the forces of the Holy Trinity become active in two souls as they become bonded by Divine Love Laura has recorded her journey and the messages that the Divine Spirit imparted to her in the hopes that they will inspire others to search for truth and love in their own lives      Life, One Big Existential Crisis Kerry Louise Stalker, 2021-01-25

Life One Big Existential Crisis takes the reader on an epic journey It starts by asking What s the point then ventures down the psychological philosophical spiritual cosmological and conspiratorial rabbit hole to answer this great ontological question In short the spirit world is real A spiritual battle is taking place and our souls are the prize for either the kingdom of darkness or kingdom of light There is a dastardly cabal orchestrating our reality using the Bible as it s playbook We re living in the last pages of the Bible and this great book will close with a bang The Beast one world system is on our doorstep This book is for those who want to know the Truth and break free from the matrix The focus is on authenticity and choosing your choice      **A Biblical Guide to the End of the World** David Murdoch, 2022-09-16 Many exciting theories abound for how the world will end asteroids alien invasions
