Soviet Union Today An Interpretive Guide:

The Soviet Union Today James Cracraft, 1983-11-01 This newly revised and expanded second edition of *The Soviet Union Today* provides a comprehensive introduction to contemporary Soviet reality. Written by thirty experts, the book is divided into eight general sections: history, politics, the armed forces, the physical context, the economy, science and technology, culture, and society. The individual chapters, which are intended to respond to the questions most frequently asked about the Soviet Union, are devoted to everything from the Lenin cult to the KGB, from Soviet architecture to Soviet education, from the status of women and ethnic minorities to the question of religion. All of the chapters from the first edition have been updated, and five new chapters on the Soviet cinema, mass media, foreign trade, arms control, and the legal system have been added. An annotated list of further reading suggestions and a special Note for Travelers enhance this volume's usefulness. Students, teachers, journalists, prospective tourists, and anyone interested in Soviet life will find this new edition of *The Soviet Union Today* an essential and stimulating guide to understanding the world's largest country. *The Soviet Union Today* James Cracraft, 1988. *The Soviet Union Today* Educational Foundation for Nuclear Science (Chicago, Ill.), 1983.
