The Rogue Educator Rollo W. Jones, Cynthia A. Green, 2018-11-08 Educators are natural pioneers they have always been the transmitters and transformers of history Courageous educators have changed the very course of our culture by taking risks and challenging prevailing systems Somewhere along the way however that sense of audacity has diminished Overuse of accountability agents ranging from uniformity bell curves statistics and threats of litigation threaten to compress our educational systems into a linear track devoid of color creativity and diversity Diverse personalities fresh ideas and new strategies are required to sidestep the narrow one size fits all path of today's school systems As the world becomes more diverse teachers need to lead the way in embracing their own distinct approaches The Rogue Educator concept is best explained by taking a look at specific teacher qualities and possible paradigm shifts for each one The Rogue Educator book is a collection of easy to read familiar and memorable characters that will resonate with all instructional leaders and professionals Teachers and other educators will recognize a bit of themselves in the profiles and will learn new ways to capitalize on their own personalities by making the classroom and the school a more positive and supportive environment for all

The Way the World Works Nicholson Baker, 2012-08-07 Nicholson Baker who writes like no one else in America Newsweek here assembles his best short pieces from the last fifteen years The Way the World Works Baker's second nonfiction collection ranges over the map of life to examine what troubles us what eases our pain and what brings us joy Baker moves from political controversy to the intimacy of his own life from forgotten heroes of pacifism to airplane wings telephones paper mills David Remnick Joseph Pulitzer the OED and the manufacture of the Venetian gondola He writes about kite string and about the moment he met his wife and he surveys our fascination with video games while attempting to beat his teenage son at Modern Warfare 2 In a celebrated essay on Wikipedia Baker describes his efforts to stem the tide of encyclopedic deletionism in another he charts the rise of e readers in a third he chronicles his Freedom of Information lawsuit against the San Francisco Public Library Through all these pieces many written for The New Yorker Harper's and The American Scholar Baker shines the light of an inexpugnable curiosity The Way the World Works is a keen minded generous spirited compendium by a modern American master

The Boy Who Loved Tornadoes Randi Davenport, 2010-03-30 Randi Davenport's story is a testament to human fortitude to hope and to a mother's uncompromising love for her children She had always worked hard to provide her family with a sense of stability and strength despite the challenges of having a son with

autism and a husband whose erratic behavior sometimes puzzled and confused her But eventually Randi's husband slipped into his own world and permanently out of her family's And at fifteen her son Chase entered an unremitting psychosis pursued by terrifying images unable to recognize his own mother unwilling to eat or even talk becoming ever more tortured and unreachable Beautifully written and profoundly moving this is the heartbreaking yet triumphant story of how Randi Davenport navigated the byzantine and broken health care system and managed not just to save her son from the brink of suicide but to bring him back to her again and make her family whole In *The Boy Who Loved Tornadoes* she gives voice to the experiences of countless families whose struggles with mental illness are likewise invisible to the larger world

The Best Life Sue Westrum, 2018-06-04 The good life a commonly used phrase touts the satisfaction found in certain kinds of shoes vinyl siding for your house soft drinks and even cigars Sue not only challenges the reader with a realistic understanding of the good life but through interesting and convicting stories of how God worked in the life of a city girl changing and molding her to begin to reflect His image and in the lives of the Berik people of Indonesian New Guinea calling those He chose in eternity past to glorify and worship Him Sue enables the reader to understand *The Best Life* a life of healing and forgiveness experiencing God's peace and knowing His joy God gave Sue and her husband the distinct privilege of watching Him and having Him work through them to change a jungle society She relates how God loved and prepared her to fulfill His plans for her even using shattering childhood events and a man of the jungle to teach her God implanted in her attributes that enabled her to thrive in situations for which she felt inadequate situations that are 180 degrees different from her life before Peter Through exciting and powerful eyewitness accounts she leads the reader showing how God used four academic disciplines anthropology linguistics literacy and translation to impact a formerly unreached people group and to give them the New Testament in their own language Sue raises these questions Was it worth it to leave my own culture to struggle in another culture to risk the lives of our children with tropical disease to suffer through the agony of exotic illnesses like malaria and dengue fever to live with all of God's creatures in our house to be separated from family and lifelong friends not even being there when Peter's dad passed away Is it really worth it to trust in Jesus to surrender to Him to commit to following Him to obey Him to thank Him no matter what Answering these questions is what this book is all about challenging you whether you are young or old male or female are seeking to know Jesus or are searching for His will and plan for you to find and accept *The Best Life* For more information please visit the companion website click here <http://thebestlifebook.com>
