

Birthday Letter

Your child's birthday is a special day! To recognize students' birthdays, I ask that parents write their child a birthday letter to be read aloud in the classroom on their birthday (or half birthday - if summer time). This is a special time for you to reflect on the love and joy that your child has given to your family. When I read aloud your letter, I get much pleasure observing your child eagerly listening to the wonderful things you wrote. Your child will be grinning from ear to ear! Here are some ideas that you can include:

The Facts:

- Where your child was born
- What he/she weighed at birth
- Color of hair and eyes

The Family:

- Brothers or sisters
- Special experiences or cultural background
- What makes your child a very special person

Your Child:

- How he/she helps out around the house
- How he/she shows thoughtfulness
- Special interests/talents
- Anything else that you'd like to include

The letter will be sent home with your child once it has been read to the class. It will be their special keepsake to cherish for years to come.

Thank you in advance for your participation!
