## **The Blind Spot:**

*The Blind Spot* Javier Cercas, 2018-05-03 An essential collection of literary criticism by one of Spain's most acclaimed authors Javier Cercas is one of the most enjoyable and innovative novelists at work today Well known among English language readers as the author of *Soldiers of Salamis* winner of the Independent Foreign Fictio Prize *The Anatomy of a Moment* and *The Impostor* Cercas is also Professor of Spanish Literature at the University of Girona In 2015 following in the footsteps of George Steiner Mario Vargas Llosa and Umberto Eco as Weidenfeld Visiting Professor in Comparative European Literature at St Anne's College Oxford Cercas gave a series of five lectures on the novel today which have since been revised and are now published in English for the first time as *The Blind Spot* Starting with Don Quixote and his own experience as a writer Cercas launches out into a consideration of the most challenging fiction of the last hundred years from Kafka Borges Perec Calvino and Kundera to Sebald Coetzee Barnes Foster Wallace and Knausg rd First he defines and celebrates certain aspects of the novel in the twenty first century which are also features of Cervantes masterpiece its essential irony and ambiguity its total commitment to innovation its natural joyful and omnivorous desire to cram the whole world within its pages and its intricate concern with fiction and reality Then he moves on to consider the actual meaning of the novel the uncertain and discredited role of the writer as intellectual and the role of the reader in the creation of a form whose aim is to tell the truth by telling lies The result is a dazzling short book which provides a new interpretation of novel from Cervantes and Melville to the present and which will be as stimulating for readers and writers of literature in the twenty first century as E M Forster's *Aspects of the Novel* or Milan Kundera's *The Art of the Novel* were in the last Translated from the Spanish by Anne McLean     *The Blind Spot* Austin Hall, Homer Eon Flint, 2018-04-19     **Leadership Blind Spots and What To Do**
