The Blood Of The Cross:

The Blood Of The Cross Andrew Murray,1981-08-01 We can never know too much about the truths that the blood of Christ proclaims Andrew Murray through his truly inspirational walk with God has lifted the veil on much of the mystery of Christ s blood and its precious source of life He shares the tremendous power that Christ s blood has for each of us if we accept it as our rightful inheritance and rely upon it to protect and enable us to accomplish our purposes in God

The Blood of the Cross Horatius Bonar,1850 *The Power of the Blood of the Cross* Andrew Murray,2003-01-01 Andrew Murray wrote I am deeply convinced that we Christians can never know too much about the truths which the blood proclaims This combined edition contains 20 discourses on this vital subject They were previously published as two books The Power of the Blood of Jesus and The Blood of The Cross

He And He shall direct your paths Proverbs 3 5 6 NKJV [The Blood of the Cross \(Classic Reprint\)](#) Horatius Bonar,2017-05-14 Excerpt from The Blood of the Cross Is it not also a serious question for the ungodly is this blood shedding really and legally chargeable against me Is God serious in saying that he means to reckon with me for this Is this blood at this present moment resting over me as a cloud of wrath ready to burst upon my head so soon as my day of grace runs out Is it on account of my treatment of this blood that I am to be dealt with at the seat of judgment Is my eternity really to hinge on this About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve

Olukoya,2016-02-06 There is power in the Blood of Jesus It has a voice It cleanses It is allowed to touch the mercy seat and it silences every other voice Satan fears the Blood of Jesus because he cannot create a counterfeit blood nor solve the mystery of the shedding of blood on the Cross **The Blood of the Cross** Horatius Bonar,2017-04-28 Please see the description for this title below But first Our promise All of our works are complete and unabridged As with all our titles we have endeavoured to bring you modern editions of classic works This work is not a scan but is a completely digitized and updated version of the original Unlike many other publishers of classic works our publications are easy to read You won t find illegible faded poor quality photocopies here Neither will you find poorly done OCR versions of those faded scans either with illegible words that contain all kinds of strange characters like % how much remains yet to be seen If I cannot clear myself and if I cannot extenuate my crime then I must either brave the trial and the sentence or make haste to enter my protest against the deed as the only course now remaining for me In such a matter there is room neither for delay nor uncertainty Let the matter at once be inquired into and put beyond the reach of doubt Is it possible that any one can rest with less than a certainty of forgiveness so long as such a charge is hanging over him Either he does not understand its meaning or he is resolved to set it at nought No certainty can be greater than that I am guilty of the crime Can I rest satisfied with anything but an equal certainty that this crime has been cancelled To be sure of guilt and not to be sure of pardon is a fearful condition indeed To know that there is a Saviour whose blood cleanseth from all sin and yet not to know with equal certainty that all the blessings flowing from his blood have become mine must be misery beyond endurance Uncertainty in such a case is the very mockery of my grief Was the gospel meant to bring us no certainty here Is our believing it designed to give us no assured peace Is this assured peace a plant not of this clime Must we wait for it till we reach the land of peace Is it not our portion here and is it not by having this that we are enabled to face and battle with the darkest storms of life *The perfect life, 12 discourses, ed. by W.H.
