**The Arcanum** Janet Gleeson,2013-07-31 Imprisoned in a fairy tale castle and under constant threat of execution by his ruthless captor an 18th century apothecary struggled to realize the alchemist s dream His name was Johann Frederick Bottger But instead of transforming base metal into gold he was to discover the formula for something even more exotic and elusive a substance so precious it was known as white gold And it was a formula for which others were prepared to lie cheat steal and even kill to possess This was the remarkable backdrop to one of the most strange and compelling episodes in European cultural and scientific history a tale of genius and greed of demonic cruelty and exquisite beauty of the best and worst of which man is capable it is the true story of the invention of European porcelain     *The Arcanum* Thomas Wheeler,2007-12-18 It is 1919 and the Great War has come to a close But in the shadows of the world s major cities the killing has just begun In this perilous time as the division between order and chaos grows increasingly slim a select group of visionaries have taken it upon themselves to ensure the safety of humanity They are known as the Arcanum In London s stormy Hyde Park Konstantin Duvall the Arcanum s founder has been killed in a suspicious accident Dismayed the group s longest lived member Sir Arthur Conan Doyle determines to avenge Duvall s death and uncover the secret left in his wake For the dead man possessed the world s most powerful now missing artifact the Book of Enoch the chronicle of God s mistakes within whose pages lie the seeds for the end of everything From the scene of the crime Conan Doyle embarks on a path that leads him to the sleazy underworld of New York City s Bowery and a series of deceptively disparate but decidedly connected murders And as he calls upon the scattered members of the Arcanum for aid he also finds himself embroiled in a story of war as old as time itself Not of a struggle between countries but between darkness and light Peopled with the twentieth century s most famous and infamous figures here is an extraordinary tale in which the stakes go beyond the realm of humankind into the divine     **Het arcانum / druk 1** T. York City's Bowery and a series of deceptively disparate but decidedly connected murders. And as he calls upon the scattered members of the Arcanum for aid, he also finds himself embroiled in a story of war as old as time itself.
